FIRE! FIRE!! FIRE!!!

Visit Numbers Whose the Burning of L. C. Langie.

Coal every day; at home, in the office, the work room and the store. We believe a large proportion of those who view this kind of a fire know that the best coal to burn is sold by L. C. Langie whose office is at the corner of East Main street and East avenue, and whose yards are on South Clinton Street, Albany, and on North avenue near the railroad.

Clickers in Langie's coal are scarcer than white mice and it is economy to buy of him, since he sells at as low figures as any dealer in the city. Give him a trial order and you will be a customer of his for ever afterwards. He delivers promptly on receipt of order, and you will not be obliged to wait for his coal.
