NEWS DOTS FROM IRELAND

Interesting Paragraphs Concerning the Doings of Our Friends Across the Ocean.

Gathered from All Parts of the Emerald Isle for Our Readers.

CONNAUGHT. LEINSTER.

DUBLIN.
Mr. M. T. Quinn, principal of a great Indian college, a well-known Dublin man, who is at present in England for a lengthy holiday, has been elected a Fellow of Royal Historical Society and also a member of the Royal Asiatic Society. The value of Mr. Quinn's work in the cause of higher education in India, no less than his own remarkable literary abilities, are recognized by these well-merited distinctions.

KILDARE.
Thomas Maitland Gerrard, second son of the late Thomas Gerrard, of No. 25 Westmoreland street, Dublin, and Athy, county Kildare, Crown Solicitor for Queen's county and Carlow, has been sworn in a solicitor of the Supreme Court of Judicature in Ireland. Mr. Gerrard served his apprenticeship with Mr. Charles Daly, solicitor, and will practice in Dublin and Athy.

KILKENNY.
The Lord Lieutenant has appointed Dr. James White, to be High Sheriff for the county of Kilkenny for the ensuing year.

KING'S.
The town and district of Tullamore were recently shocked by a revolting occurrence which took place on the outskirts of the town, as a result of which a woman named Mary Minnock now lies in the county infirmary in a condition which leaves but slight hope of her recovery. In the course of an altercation, it is stated that her husband, James Minnock, beat his wife in such a savage manner as to leave her almost lifeless. The police soon afterward arrested Minnock and lodged him in Tullamore Jail.

LONGFORD.
The election of Master for the Granard Workhouse attracted a great number of Guardians to the board-room. There were three applicants for the position—Mr. Patrick O'Beirne, Mr. Bernard Halligan, Lisnard, and Mr. Bernard O'Reilly, Mullingar. The former was an ex-officio Guardian of the Granard Union for many years; but, on the preceding board-day, he resigned his position. Major Fair informed the Guardians that Mr. O'Beirne was not eligible for the position until after the 29th of September next, as neither the Guardians nor the Local Government Board could accept his resignation of the ex-officio Guardianship until then. A very long and animated discussion ensued; but it was finally decided to adjourn the election for a month to permit Mr. O'Beirne to get legal advice on the subject.

LOUTH.
Dr. Moore, coroner for South Louth, held an inquest recently, at Stonestown, into the circumstances attending the death of a woman named Mary Byrne, who had been found dead on the roadside, near Essexford Railway Station. It appeared from the evidence that the deceased, who was quite a young woman, and had been only three weeks married to a small farmer of that district, was on her way to the station to take the train to Carrickmacross, when she dropped. It seems she was suffering from heart disease, and a verdict in accordance was returned.

MEATH.
At the last Kingscourt Petty Sessions, James Durnan, aged about 35 years, was brought up in custody, charged with having stolen from Hugh McCabe, of Beragh, the sum of £20. Evidence having been given, the prisoner was returned for trial to the next quarter session in Trim, bail being accepted.

ROSCOMMON.
Mr. Alfred B. Kelly, Seapoint, has sold his interest in the Cultrair farm, to Mr. Austin McGing, Westport.

SLIGO.
The Sligo Harbor Board are considering the advisability of purchasing a hopper dredger at a cost of £10,000, having saved that sum by consolidating their loans. They prefer to do this rather than let the money go away in dribblets. Mr. Pollexfen is an ardent supporter of this project.

WEXFORD.
James Byrne, the husband of Elizabeth Byrne, who, it is alleged, was

murdered in her residence at Rivers chapel, near Gorey, has been placed under arrest on the charge of having committed the crime. He is a cripple, of low stature. When arrested Byrne, after being cautioned, made a declaration of his innocence.

WICKLOW.
A rather curious affair occurred near Bray recently. Mr. William Barron, of Barryfield, and his servant man, John Hughes, went to Dublin at 4 a. m., evidently "on pleasure bent." On returning home together in the evening, Hughes asked his master for some drink, which the latter promised as soon as Hughes should have his work finished. Hughes then became disorderly and smashed numerous utensils. He went home after much persuasion, but returned at 11 p. m., and, not being admitted to the house, began to fire turnips and stones, which attack his master, as Mr. Barron, himself alleged, reciprocated by discharging pistol shots into the air. Hughes evidently had the best of engagement, as he succeeded in sending his missiles through twenty-seven panes of glass, and escaped unhurt. He was shortly afterward arrested and was sentenced to three months' imprisonment, with hard labor.

MUNSTER.
CLARE.
Michael Hogan, Esq., of Ballycashion, Killoboy, has been appointed to the Commission of the Peace for the county of Clare. Mr. Hogan is chairman of the Corrofin Board of Guardians, and senior Baronial Director of the West Clare Railway Board.

DERRY.
A representative and influential meeting of Catholic ratepayers in Derry city was held recently in St. Columba's Hall to take into consideration the measures to be adopted in opposing the Londonderry Municipal Extension Bill. The proposals of the Derry Corporation having been discussed at some length, the following resolution was unanimously adopted: "That we, the Catholic ratepayers of Derry, in meeting assembled, protest against the Londonderry Corporation Bill as a last effort to prevent the Catholic majority of the people from acquiring any power in the municipal affairs of the city."

CORK.
At the last meeting of the Cork Farmers' Association a resolution was passed urging on the Government the necessity of placing a tax on foreign barley, and reducing the tax on whiskey and porter by a corresponding amount.

DONEGAL.
At the Ulster Winter Assizes, in Derry, John Sheeran, arraigned for the manslaughter of James Orr, at Drumohilly, county Donegal, pleaded guilty, and was sentenced to nine months' imprisonment. Mr. Miller having drawn attention to the fact that the prisoner had been already confined for seven months, the sentence was reduced to two months.

DOWN.
At their last regular meeting the Newry Town Commissioners decided to apply for a loan of £500 for the purpose of the Free Public Library, for the repayment of which the special Free Library rate will be pledged.

MONAGHAN.
The case of James Daly v. Thomas Campbell, came on for hearing before Justice Holmes, and a common jury sitting in Queen's Bench Court No. 2 in Dublin. The action was brought by Mr. Daly, who is a general merchant in Carrickmacross, and Member of Parliament for the Southern Division of the county of Monaghan, against a car-driver, also residing in Carrickmacross, to recover damages of £200 to stand the wheels of a motor car being "You meaningly robbed the country, and you included me meaning the defendant, and I have bills to prove it, and the way you made your money," the imputation being that the plaintiff was guilty of an indictable offense. He also complained that the defendant spoke the following words: "You robbed Martin (meaning the trader in whose employment the plaintiff had been formerly engaged); when you went to him he was a rich man; but you left him a poor man and a beggar." The defendant denied that he spoke the words complained of, or that he spoke them with the meaning imputed. The jury found for the defendant.

KERRY.
Recently a storm of unusual severity passed over Ballybunion and the surrounding districts. Considerable damage was done to several houses in Ballybunion, but the building which suffered most was the new chapel, a great number of slates having been blown off from both sides of the roof.

LIMERICK.
A woman named Hopora McNamara, aged fifty years, wife of a dock laborer, was found dead at her residence, Vice's Fields, Limerick, under very peculiar circumstances, as the evidence of the coroner's inquest showed. She was addicted to drink, and was put to bed in that state on the evening, by her husband and son, the former finding her dead on his return. She was lying on the floor in a pool of blood. Medical evidence was that death resulted from hemorrhage caused by mutilation, the wounds being neither accidental nor self-inflicted; and a verdict of wilful murder was returned against some person or persons unknown.

TIPPERARY.
At the Nenagh Petty Sessions, two men named John and James O'Connell were charged with having stolen the clothing of James O'Connell.

WATERFORD.
Richard Morrissey, Esq., Parnell street, Waterford, has been appointed High Sheriff for the city.

ULSTER.
ANTRIM.
The dead body of a man was found on the beach at the bathing stage, and the remains were subsequently identified as those of Peter Carnegie, who was lately in the employment of Mr. Henry McNeill, Main street, and formerly in that of Mr. Archibald McNeill, Glenarm, as bread-server. The deceased, who resided in Mill street, Larne, recently left the house in his usual health, proceeding down Main street, in the direction of the Bank Heads, and the supposition is that while walking there, he was blown off his feet through the force of the wind. The body was quite warm when found. The deceased was upward of sixty years of age, and of strictly temperate habits.
