

FATHER KOENIG'S NERVE TONIC

Kneip's Water Cure Institution.
Milwaukee, Wis., July 24.
I deem it my duty to state the following: I had suffered very much from vomiting several months. All Physicians called it a nervous affection, but their treatment gave no relief. In San Francisco Pastor Koenig's Nerve Tonic was recommended to me. After I took this but a few days the symptoms of my trouble disappeared. Only one bottle of it cured me entirely.
Rev. A. Gottlieb

30 Years Headache.
Milwaukee, Wis., May 24.
During a fire, about 30 years ago, I fell into a scalding tub of water. As it was in the winter, my clothing froze on my body after I got out. Since then I suffered from severe headache and was treated by more than 10 doctors for it; but all these did not help me as much as one bottle of Pastor Koenig's Nerve Tonic.

Cancers and Tumors
Cured by Absorption.
Many patients, given up as hopeless after having been operated upon several times, have been entirely cured by Dr. Grady's treatment by absorption.
Skeptics and doubting people are kindly referred to these well known persons below who have been cured.
People Say It is a Miracle
A well known Connecticut lady tells her own story:
Mrs. Annie E. Spencer of Beach's Road, Black Rock, Conn., suffered frightfully with an eating cancer, was treated by nine home physicians without relief. She was cured by one course of treatment by Dr. Grady. Write to Mrs. Spencer, and she will tell you of the most remarkable cure known to medical science.
Another Great Cure.
Mr. Arthur Tyler of No. 7 Vanostone court, Bridgeport, Conn., is well known there and is employed at Warner's Corset Factory. Mr. Tyler came to Dr. Grady suffering with a large tumor on the left side of his neck. He is to-day absolutely cured and no sign of tumor can be seen.
What more can be said? If convenient write and be convinced for yourself. These cures are not temporary, they are permanent and lasting.
Fibroid and Ovarian Tumors
Cured without pain or the use of a knife. We refer to a duty as well as a pleasure to permit Dr. Grady to refer to us in any way he may choose, and those afflicted in like manner, we would by all means advise you to consult him at once.
Mrs. F. M. Kellon, Canandaigua, N. Y.
Miss Nellie Staples, Utica, N. Y.
Mrs. W. Taylor, Batavia, N. Y.
Miss Etta Carey, Lyons, N. Y.
Miss M. J. Black, Seneca Falls, N. Y., and hundreds of others cured.
Homes cures—Call on them and investigate yourself.
Mr. John Moore, 25 1/2 Ontario street, Astoria, Ore., has lived here eight years and is employed at Hough's Shoe Factory on Mill street; not two months under treatment and is almost well.
Mrs. Strief, 1 Bismark place.
Mr. John Lee, Powers hotel.
Miss O'Loughlin, 88 Campbell street.
Mr. A. Horn, 55 Hollister street.
Mary Burk, a Central park.
Mr. Charles Strief, 1 Bismark place.
A surgeon's knife gives you a feeling of horror and dread. There is no longer necessity for its use in many diseases formerly regarded as incurable without cutting.
The triumph of conservative surgery is well illustrated by the fact that rupture or breach is now radically cured without the knife and without pain. Clumsy, chafing trusses can be thrown away. They never cure but often induce inflammation, strangulation and death.
Cancers and tumors, ovarian, fibroid (uterine) and many others, are now removed without the perils of cutting operations.
Fibroid tumors, however large, fistula and other diseases of the lower bowel, are permanently cured without pain or resort to the knife.
Stones in the bladder, no matter how large is crushed, pulverized, washed out and perfectly removed without cutting.
Stricture of urinary passage is also removed without cutting in hundreds of cases. The doctor can be consulted from 10 to 12, 2 to 5, and 7 to 9 every day, except Wednesdays and Sundays. Private consultation rooms, first floor. Take elevator.

DIOCESAN NEWS.

From Our Special Correspondents.

Auburn.

Rev. Father Neville of Holy Family is in Ithaca assisting at the Forty Hours which is being held there.

Capt. M. A. Hogan of Rochester was in town a few days last week.

The music rendered at Holy Family church at the 11 o'clock service last Sunday was of a very high order. The choir, assisted by a number of well known vocalists under the direction of Miss M. E. Bennett, the organist, sang Von La Hache's mass. The singing, both in solo and chorus, was most excellent. Solos were sung by George Lyding of New York and Miss Ethel Balch of Boston. A quartette composed of John G. Rottler, Harry L. Benham, William J. White and John J. White sang "O Salutaris" at the elevation, without accompaniment. A trio composed of Miss E. Balch, soprano; Mr. Lyding, tenor; and J. A. Hennessy, baritone, rendered "Jesu Dei Fili" at the last vesper. All the singers were in excellent voice, and the rendering was the best heard in Auburn in many years.

W. C. Haggerty, G. B. McDonald and Mr. McCreel of Division 7, A. O. H. of Rochester, were guests of Walter A. Byrne last week. They were members of the committee appointed from that division to make arrangements for the ensuing convention to be held in Auburn. About 2,500 members are expected from Monroe county. The committee from Syracuse say that at least 700 men with a band of 30 pieces, from that county, will attend the convention.

Father Regenbogen of Rochester officiated at St. Alphonsus church Sunday. He informed the congregation that no pastor would be appointed till June. Until then a pastor will be supplied by Bishop McQuaid.

McLoughlin Council, 311, C. B. L. held the last of a series of socials last Friday evening, and, as usual, it was successful, financially and otherwise. It is as yet a young organization, but is steadily growing.

The three divisions of the A. O. H. of this city are making great preparations for the gigantic convention to be held next month. It promises to be the largest ever held in the state. Committees from many cities are and have been in town selecting headquarters and making other arrangements. Many members of auxiliaries are expected to accompany the delegates, and a most excellent time will be had. Amusements will be of numerous kinds and of a high order.

Preparations on a grand and elaborate scale are being put forward by the Ancient Order of Hibernians for the successful conduct of the state convention which assembles in Auburn, commencing May 5. For some time past committees have been laboring hard and earnestly, and successes and encouragement of every description are received from all quarters. The general committee in which is vested the sole right of procedure is planning a campaign of mammoth proportions for the entertainment of the huge assemblage expected on the occasion. No effort or expense is being spared. A strong wave of contagious enthusiasm permeates the being of each and every Hibernian and is rapidly spreading to the outer circles of citizenship, forming an unanimous indication of a hearty and royal welcome to all strangers and a highly successful termination of the much talked of event. Sub-committees have been appointed and are zealously laboring for the good of the cause. They are meeting with kind receptions and generous responses. Business men and merchants are contributing their mites freely and on the requests to decorate their places of business are gladly doing their part.

Large numbers of Hibernians and friends are expected from all over the state, and care is being taken to properly prepare for their reception and their comfort and pleasure. A grand time is expected, and if the efforts of local Hibernians count this will certainly be the case.

Last Sunday, St. Patrick's congregation had the pleasure of listening to three fine sermons by Rev. Father Clancy of Holyoke Falls. At the 8 o'clock mass his discourse was "The Evil of Scandal." At 10 he took for his text "Divine Hope," and in the evening at 7:30 he delivered a temperance sermon, the Total Abstinence society attending in a body. After the service the society had the pleasure of meeting Father Clancy socially. Father Dougherty officiated at Holyoke Falls that day.

The horse would have killed him but for the presence of another employee who immediately came to his assistance and rescued him.

St. Mary's church was the scene of a very pretty and elaborate wedding Tuesday, April 14th, at three o'clock in the afternoon, when Miss Anna Sheehan, only daughter of Mr. and Mrs. J. M. Sheehan, of Vine Valley, became the bride of Mr. John Corland, a popular and well known business man of Canandaigua. At the hour appointed the bride and groom, each in a carriage which was beautifully decorated for the occasion, and marched up the aisle to the strains of the wedding march which was played in an accomplished manner by Miss Mabel Wilson. Under an arch of evergreens before the altar, from which hung suspended a horseshoe of white roses, the party was met by Rev. Father Dougherty of Danville, who, assisted by Rev. Father O'Loughlin of St. Mary's, performed the ceremony. Miss Anna O'Brien of Canandaigua, cousin of the bride, acted as bridesmaid; the groom was attended by John Sheehan a brother of the bride. The ushers were William Hennessy and Patrick Sheehan. After the ceremony the party repaired to the home of the bride where a reception was held. A sumptuous repast was served. The evening was spent in an enjoyable manner by the large number of guests. Mr. and Mrs. Corland were the recipients of many beautiful and costly presents.
