What is Going on in the Various Parishes.

CATHEDRAL

The Ladies' Aid society will hold a Pedro party at Cathedral hall, Monday evening, May 11th.

There is a large attendance each evening at the May devotions.

HOLY ROSARY

Ground has been broken for the new parochial residence at Holy Rosary church to which Bishop McGuire recently appointed Rev. J. G. Van Ness as permanent pastor. The residence will be located at the corner of Lexington avenue and Finch street, and it is hoped to complete it by July 1st. The parishioners are taking great interest in the project and have already subscribed \$1,500 toward the building fund.

An Aeolian Recital and concert by Rev. John G. Van Ness, assisted by the ladies' chorus, Prof. William Pabst, director; Marie Hale Losey, elocutionist, Mrs. Gretchen McGallagher, violinist, Miss Emma Haehner soloist, Prof. E. Bonn, pianist, and the Polyhymnic quartette will be given at Cathedral hall, May 21st.

ST. PETER AND PAUL'S

On account of a severe cold Rev. Father Poppel was unable to deliver his monthly English sermon last Sunday.

Beginning this Sunday early mass will be at 7:30 and high mass at 10 a. m. until further notice.

The members of this branch of the L. O. B. A. are making arrangements for a May party.

Mr. Edward Moran will entertain the members of the Y. M. C. O. at the club rooms on Monday evening in honor of his marriage.

ST. BONIFACE

Branch 30, C. M. B. A., will receive Communion in a body Sunday, May 10th, at 7:30, at which time High Mass will be celebrated.

Father Rauber's time is very much taken up at present preparing the class for first communion, which will take place some time in June.

The School Sisters of St. Boniface are busy in rehearsing a programme for an entertainment by the school children at a later date.

ST. MARY'S

The "Forty Hours' Devotion" opened at St. Mary's Catholic church on South street Sunday morning after high mass, when there was a procession of the blessed sacrament. Sunday evening Rev. Dr. Hanna of St. Bernard's seminary preached an eloquent sermon. Confessions were heard Monday and Tuesday and the devotion closed with high mass at 9 a. m. Wednesday. A large number approached the sacraments.

Their Opening Day

Henry Likly & Co. received visitors all Saturday afternoon and evening at their new store, No. 155 East Main street, which was tastefully decorated for the occasion. Compliments on the fine arrangement of the goods were heard on every side. It is the general opinion that this veteran firm of baggage-makers will benefit greatly by their enterprise in establishing themselves in a building so well adapted for their purposes and in a location so central. Messrs. Likly & Co. will now be represented on both sides of the river, as the old store at 96 State street is not to be closed.

WHERE WAR IS A PICNIC

A Correspondent Describes the Most Recent Central American Revolution.

A correspondent writing from Nicaragua declares that war is a sweet and peaceful pastime in that country. At the present time 1,000 Nicaraguans are confronting the same number of soldiers from Honduras who have invaded the republic to sustain the president. The two armies simply face each other. They have no thought of fighting.

The soldiers are living in the best houses, and they have their women with them and do no work. Once a day they fire off a few cannon at long range and do no damage. Then they resume their cigarettes and take a nap. The troops are delighted with the state of affairs. They like it better than working on the plantations, and they hope that the merry war will continue forever.

The Nicaraguans love war and especially the kind of war they wage. On hot days the soldiers take off their trousers and lounge about in the shade. They smoke and drink and gamble to their hearts' content. The only thing that ever disturbs them is an accidental meeting with some of the enemy, but when this occurs both sides run away as fast as their legs can carry them. They would not harm one another for anything.

The gentle Nicaraguans are teaching the world a lesson. When other nations adopt their methods of war, armed conflicts will cease to be a serious menace to life and property.—Atlanta Constitution.
