

Recovered Hearing.
Zurich, Bas. Sept. 15, '04.
I gave Father Koenig's Nerve Tonic to a boy 9 years old who had lost his hearing in consequence of scarlet fever. After using 8 bottles he was able again to hear and to talk, although the doctors said he would never hear again, but he is all right now.
Several other persons, that suffered from brain weakness and other diseases resulting from this disease took Father Koenig's Nerve Tonic through my advice and were cured.
On my trips as missionary in eastern Kansas the people will ask for advice and I recommend the Tonic as it has the desired effect.

DR. GRADY
THE CELEBRATED
SPECIALIST

Treat with superior skill and positive success all blood, nervous, chronic and private diseases.
He has adopted this plan: That he will charge nothing for advice, consultation or treatment until the patient pronounces himself well. The only charge is for medicine used during treatment.

His success is based on facts. First—Practical experience. Second—Every case is specially studied, thus starting right. Third—Medicines are prepared in his laboratory exactly to suit each case, thus effecting cures without injury.
Dr. Grady has had a vast experience as a specialist and is able to tell you the cause and condition of your complaint and prescribe the remedies to effect a cure. If your cure is curable he will tell you so; if not he will tell you, for he will not undertake a case unless confident of effecting a cure.
Home Cures—Call on them and investigate yourself.

Dr. Grady is known to be one of the best medical experts in this country, having met with remarkable success in the treatment and cure of diseases which have baffled and discouraged other physicians. He well deserves the patronage he is enjoying. His offices and parlors are still crowded—hundreds turned away each week unable to see the doctor. Dr. Grady reserves the right to reject any and all cases which in his judgment are incurable. During the past year, 489 have been rejected. Dr. Grady has been heard to say that if there was any one thing that has made him successful it was in his correct diagnosis of disease. If he tells you your case is incurable you can rest assured there is no further use to doctor. Thousands yearly visit the doctor to get a free diagnosis of their complaints, both personally and by mail. Many claim that he is possessed of a supernatural power in correctly diagnosing and curing disease.
Dr. Grady continues to cure, when all others have failed, all forms of diseases. Patients at a distance successfully treated by mail. All letters promptly answered, in plain stamp.
Consult the European specialist on all sexual, nervous and chronic diseases. Those suffering from rheumatism, sores, ulcers, tumors, cancers, or any form of skin or scalp disease, should visit Dr. Grady at once. Remember, consultation, advice, services and surgical treatment absolutely free until cured.
