

They Were Deaf NOW THEY HEAR.

Showing that by expert special treatment, not only deafness, but the deafness that results from catarrh, is cured.

DEAF PEOPLE HEAR.

A while ago you could have shouted in the ears of most of these people and they would not have heard you. Now you can whisper to them the question, "Is Dr. Gray's treatment really better than any other?" and the answer will be quite as prompt and direct as the statements they make in this column.

Diseases of the Ear.

This condition results from Catarrh which extends from the throat along the Eustachian tube into the ears, causing selective hearing. The treatment that restores this condition is the Gandy treatment.
