

People Say It is a Miracle

A well known Rochester Lady tells the whole story in her own way.

Considered by all absolutely hopeless.

She discloses the plain, unvarnished truth—the strength of a statement lies in its truthfulness.

Mrs. Prince is 75 years old, and is an honest and upright woman. She has been for five years at the Old Ladies' Home corner of Alexander street and East avenue, and has lived in this city seven years. To the writer she says: Over seven years ago I commenced to be troubled with catarrh in its worst form. Since then I have suffered with nervous prostration and exhaustion, which was first fatal in paralysis. My feet would shake and tremble, and for over a year was confined to my room. It was with the greatest difficulty for me to get around with the aid of a cane. I had a terrible pain and aching of the back of neck and head and a fullness of the ears and a constant ringing and buzzing noise in them. I had nervous prostration in the fullest sense. I was in such a shape I could not walk two blocks without resting, and would have severe dizzy spells at any time. My stomach was irritable and weak. I would have shooting pains all over my body anywhere, and at any time, also chilly feelings, and at other times hot flashes. I could not control my nervousness. I was tired all the time and had a soreness across my back. My sleep was restless and seemed to do me no good. I had a dropping in the throat and a tendency to hawk and spit, with soreness through the eyes, and can say that any one suffering from the effects of the grip, malaria or any other chronic disease, had better take Dr. Grady's treatment, as it is thorough and reliable. Give credit to whom credit is due, and certainly to Dr. Grady is due the credit in curing me. Words cannot express my sufferings. Life seemed a burden. Despondent as I was, I had almost given up all hopes of recovery, but I saw the picture of a physician whose cut appears in all the daily papers, and by my friend's advice, I consulted him. Strange as it may seem, he told me every ache and pain without asking questions. He said he could cure my trouble and make me a well woman again. Pleased as I was at this good news, I placed my life in his hands. This was on the first of last month. His vegetable remedies seemed to act like magic. I commenced to get well from the start. Not five weeks under treatment, and yet I am almost a well woman.

VICTORY AT LAST.

I can now walk without difficulty, eat and sleep like a child, and am fast regaining my health and strength again. For the benefit of suffering humanity, I wish to say that the physician who has done so much for me, and to whom I owe my life, is Dr. Grady of 16 State Street, the well known Rochester specialist. I not only found him to be a man to his word, but a true gentleman in every sense of the term. To meet Dr. Grady is to find him a most pleasant and agreeable gentleman, who impresses all with whom he comes in contact with not only his wonderful skill as a physician, but also with that gentleness of character so necessary to his profession. I make the above statement with my own free will, and furthermore I will be glad to answer any and all inquiries relative to my case. I remain yours very respectfully, MRS. C. PRINCE, Old Ladies' Home, Rochester, N. Y.

The doctor can be consulted free from 10 to 12 a. m., 2 to 5 and 7 to 9 p. m. every day except Wednesday and Sunday.

JOHN U. SCHROTH.

The Republican Candidate for Sheriff of Monroe County.

Mr. John U. Schroth, the Republican nominee for Sheriff, is the popular German, so well known to our citizens as the capable chairman of the Executive Board.

He is the only son of Jacob and Eva Schroth who settled in this city in 1850 on their arrival in this country from Germany. The elder Schroth being proprietor of a meat market in which business he was actively engaged until his death, which occurred in 1875.

His son was educated in the public schools of our city and later in St. Paul's school on Fifth street, after which he entered into the mercantile business with his father. In 1876 he entered the employ of the D. R. Barton Tool Company and continued with that company until he was elected to the Executive Board in 1891.

At an early age Mr. Schroth began to take an active part in his ward politics. While engaged in the mercantile business he was elected school commissioner from the Eighth ward

for two terms. In 1894 Mr. Schroth engaged in the restaurant business with the late Frank Ketting and was associated with him for the last six years in Rochester at the Manhattan hotel at Charlotte and later in the Bartholomew hotel on North Fifth street. In 1888 he was elected alderman of the Thirteenth ward to which he had removed, and was elected to that office in 1890. In the fall of 1891 he was nominated for the Executive Board and elected by a large majority. He was re-elected to the Executive Board in 1894 and is at present chairman of the board.

Mr. Schroth is a member of the Germania lodge, F. & A. M., Knights of Calvary, K. of P., the Rochester Maccabean club, and the Wa Hoo Tribe of Red Men.

While there is no doubt of Mr. Schroth's election the Republicans of this county should roll him up a big majority to show their appreciation of such a public spirited citizen as John U. Schroth.

FREDERICK E. GOTT.

For Member of the Assembly in the Fourth District.

Frederick E. Gott, who has been nominated for member of assembly for the fourth district is one of the best known and highly respected men in the town of Ogden. His long experience in public life, his strict integrity, his thorough knowledge of the needs of his constituents and his unswerving loyalty to the republican party make him an ideal candidate to place before the voters of the fourth assembly district. Mr. Gott is 45 years of age and has always resided in Ogden and is considered one of the most progressive farmers in the town. He has now serving his fourth term as justice of the peace.

In 1891 he was nominated for supervisor and succeeded in defeating Lester S. Nichols who had held the office for two years, and who was the most popular democrat in the town. He still holds office as supervisor and during his service in the board has made an enviable reputation and is considered one of its ablest members, having served on all of the important committees. He represented Monroe county at the national republican convention at Minneapolis in 1892. Mr. Gott will undoubtedly receive a large number of democratic votes and will help swell the large majority which the fourth assembly district will give to the entire republican ticket.
