General Manager-

A. B. Eilbeck,

Gentlemen:

Rochester, N. Y.

We have learned that the makers of the Sunlight L have taken refuge behind a decision of the English Counts, write they assert saves them and their customers from lisbility as the

fringers of the WELSBACH patents. We assure you and ask you the give it as wide publicity as possible that there is no decisi of any court in England or elsewhere that directly or inderects warrants the statement or inference that the lamp sold by the Sunlight Incandescent Gas Lamp Company of America is not an in fringement of the WELSBACH LIGHT as made under the American ents, of which the WELSBACH LIGHT COMPANY is sole and englishing owner. Any publications or statements intended to preduce the effect are wilfully misleading.

We send you this letter in order that you may prevent as possible by timely warning innocent persons contempleting purchase of these infringing lights from suite and den
