Geneva.

The marriage of Charles Burns and Miss Ella Kenny was solemnized at 10 o'clock Tuesday morning at St. Francis de Sales church, the Rev. W. A. McDonald officiating. James Burns, brother of the groom, acted as best man, and Miss Katie Kenny, sister of the bride, was maid of honor. Peter Hueter played the wedding march as the bridal party appeared.

Owing to the death of the bride's mother last fall, at which time the marriage was to have taken place but was postponed to the present time, the wedding was strictly private, the invited guests being the immediate relatives of the family.

Kind and substantial remembrances were received from many relatives and friends in the form of cash presents of \$50 and less, and also valuable articles of household goods which will be useful to the young couple. Mr. and Mrs. Burns went immediately to housekeeping at the corner of Jay and Pulteney streets, where the groom had rooms already to receive the bride. In common with others we wish them a great deal of joy and prosperity in the broad ocean of married life which Mr. and Mrs. Burns have entered, and hope that their happiness may never be less than it was the day of their marriage. — Courier.

The marriage of Miss Mame De Vanney to John Jones is announced to occur at St. Francis de Sales church on Monday morning.

The marriage of William A. Smith for merely of Seneca Falls, and Miss Anna V. Howard took place at 7:30 o'clock Monday evening in the parsonal residence of St. Francis de Sales church. The bride was attended by Miss Mary Carr, while R. F. Howard, brother of the bride, acted in the capacity of best man. Previous to the wedding supper was served to the friends of the contracting parties, and after the ceremony the happy couple departed for a bridal tour in New York and other places.

The contracting parties are two well-known and esteemed young people of this place. Mrs. Smith is the daughter of Mrs. Abbie Howard of Main street. She has always lived in Geneva and is one of the most estimable young ladies here. For the past three years she has assisted her brothers in the dry goods business as clerk, and for a few years previous to this she was engaged in J. W. Smith's dry goods store. The groom is a new comer to Geneva, but during the short time he has been here he has made numerous friends, who extend to the newly wedded couple their heartiest congratulations and best wishes.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo O. Sold by Druggists.

Accomplished Wonders.

Offerle, Kan., June 24. My nervous system was much run down. I suffered much from violent headaches and a feeling of weight in the pit of my stomach, so that I could not keep my food and felt like fainting; often these feelings were very distressing. I spent many restless nights, was troubled with bad dreams, numbness in my arms and often with violent cramps in my right leg. Two years I suffered in this manner, tried medicines without permanent relief; 8 months have passed since I took only 8 bottles of Pastor Koenig's Nerve Tonic and had a symptom of all the trouble described above I experienced. — W. Dr. Grady, The Celebrated Specialist,

Treats with superior skill and positive success, all blood, nervous, and chronic diseases.

He has adopted this plan. That he will charge nothing for advice, consultation or treatment until the patient pronounces himself well. The only charge is for medicines used during treatment.

Dr. Grady has had a vast experience as a specialist, and is able to tell you the causes and condition of your complaint, and prescribe proper remedies to effect a cure.

Your case is curable, he will tell you so; if not, he will tell you, for he will not undertake a case unless confident of effecting a cure.

Dr. Grady is known to be one of the best medical experts in this country, having met with remarkable success in the treatment and cure of diseases which have baffled and discouraged other physicians. He well deserves the patronage he is enjoying. His offices and parlors are still crowded—hundreds turned away each week, unable to see the doctor.

Dr. Grady reserves the right to reject any or all cases which in his judgment are incurable. During the past year 2,480 were rejected. Dr. Grady has been heard to say that if there was any one thing that has made him successful it was in his correct diagnosis of disease. If he tells you your case is incurable, you can rest assured that there is no further use to doctor. Thousands yearly visit the doctor to get a free diagnosis of their complaints, both personally and by mail. Many claim that he is possessed of a supernatural power in correctly diagnosing and curing disease.

Dr. Grady continues to cure when all others have failed, all forms of diseases. Patients at a distance successfully treated by mail. All letters promptly answered, inclose stamp.

Consult the European specialist on all nervous and chronic diseases. Those suffering from rheumatism, sores, ulcers, tumors, cancers, or any form of skin or scalp disease, should visit Dr. Grady at once. Remember, consultation, advice, services and surgical treatment absolutely free until cured.

Best, Sweetest Best. Where is there rest, sweetest rest, on earth? For weary hearts where is there rest? Does rank give peace? Does lofty birth Or riches make their owner bliss?

There is no rest but in God's love. Sweetest peace on earth we cannot find. In sorrow we must look above. To God, our loving Father kind. —Henry Coyle.
