

**FATHER KOENIG'S NERVE TONIC**

Sworn To. 10  
Callaway, Nbr., Jan., '06.

I, Geo. W. Callaway, being duly sworn, deposes and says that about 4 years ago her daughter had the most distressing attack of epilepsy. Since she took Father Koenig's Nerve Tonic she has not had any symptoms of the disease, is now healthier than she was ever before. G. W. Callaway, Notary Public.

Miss A. McGrath of 106 Sholto St., Chicago, says that 1 bottle of Father Koenig's Nerve Tonic helped her more than all other medicines prescribed for her for nervousness. She feels so well now that she can work again.

The editor of Carmelite Review of Falls View, Pa., writes that Miss M. King was subjected to fits for years, but since she used Father Koenig's Nerve Tonic she has not had a single fit.

A similar experience was made by E. E. Schmidt, of Toledo, O., who considers the effect of Father Koenig's Nerve Tonic miraculous.

**FREE** A valuable book on Nervous Diseases and Epilepsy sent free to any one who sends 3 stamps. Four patients also get the medicine free.

**Face Raw AND Bleeding.**

My little boy was afflicted with Eczema in acute form for a year, during which we tried without success every known remedy. The disorder appeared on the right cheek and was of a blistering and bloody form. His pillow mornings would bear the bloody imprints of the side of his face, while it was impossible to prevent him from scratching his face owing to the itching. The first application was made at night, and it is a fact, that the appearance of the affected parts showed a noticeable improvement the next morning, and continuing the treatment, as a result, my child has as fair and smooth skin as can be found anywhere.

"Grew Worse Under Treatment of Best Physician's Tried."  
**Dr. Grady's Remedies.**  
"Great Change in Five Days and To-day is Entirely Cured"

My baby had Eczema in its worst form. One of the best physicians in the city attended her, but she continued to get worse all the time. He finally admitted he was at his wit's end. I then got Dr. Grady's Remedies, and in a few days noticed a great change in her condition. She continued to improve and to-day is entirely cured, has nice hair, and is lively and hearty. I spent considerable money for drugs and doctor's bills, which was useless.

MRS. J. L. STONK, Newark, N. Y.

**DISEASES OF THE SKIN.**

The intense itching and smarting incident to eczema, tetter, salt rheum and other diseases of the skin are instantly allayed by applying Dr. Grady's Skin Ointment. Many very bad cases have been permanently cured by its use. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes.

and Eczema cured. These two complaints are so tenacious that the readers of this paper should know of the success obtained by using

**Dr. Grady's Vegetable Remedies.**

Where all other treatments have failed they have made a complete cure.

No more horrible case of salt rheum was ever reported than that of Mrs. G. W., the wife of a well known Rochester banker. She suffered with intense itching and burning on certain parts of the body. Several physicians utterly failed to render her any relief; finally Dr. Grady's treatment was tried and steady improvement followed their use and a permanent cure resulted.

They are used with similar success in cases of scrofula, nervousness, kidney, and liver complaints, and in all diseases brought on by bad blood and shattered nerves.

Mary Burke, 4 Central park, cured of eczema of 6 long years.

Joseph Fleming, old ulcers of 10 years, cured with 2 boxes of Ointment and 1 bottle of medicine.

John Moore, 25 1/2 Ontario street, eczema cured of many years standing, and hundreds of others cured.

**Corning**

A very sad event of the past week was the sudden death of Robert J. Bowes, a machinist employed in the Fall Brook shops. Mr. Bowes was in the midst of his work, talking and laughing in a genial way that was characteristic of him, when suddenly he was seen to fall forward. Help was summoned, but before a physician could arrive he had died. Deceased was 40 years of age and leaves a wife and two children. He came here some 13 years ago from Bath, where his widowed mother still resides. The body was taken to Bath and funeral services held there on Wednesday in the Catholic church. Among the persons present from Corning were the following: Mr. and Mrs. David Erwin, Mr. and Mrs. Thomas McGovern, Mrs. A. E. Beach, Mr. and Mrs. Paul Huey, Daniel Hennessy, Patrick Reihan, Frank McCall, M. J. Brann, John Clark.

Mrs. John Stott, nee Miss Nellie Egan, is the mother of a baby boy, who arrived on Monday morning of last week.

On Wednesday evening of last week the skating rink of Painted Post was formally opened. There was a sound of revelry by night, and the music of the Alliance band mingled with the music of steel blades ringing upon clear ice. Electric lights shed their effulgence over Bronson park, and everything was lovely and the good honked high—at least the skaters thought it did. But alas, for the uncertainty of human endeavor. There's many a slip 'twixt the opening of a rink and the keeping of it open. On the following morning the sun shone out gloriously and the ice most ingloriously melted. The rink has not been opened to the public since.

Miss Maggie Weaver has issued invitation to all her friends to "trip the light fantastic" on Tuesday evening, the 11th inst. at Howell Hall, where the popular young lady will give a dancing reception.

Mr. and Mrs. James Murphy are visiting friends in Elmira and vicinity.

James L. Gould and Timothy O'Connell, jr., have returned to their respective colleges at Worcester, Mass., and Georgetown, D. C., to resume their classical studies.

Announcement is made of the coming marriage of Miss Margaret Weaver of 157 Chestnut street to Mr. Burt Miller of Elmira. The ceremony will be performed at the parochial residence in Corning on Wednesday, Jan. 10th. Mr. and Mrs. Miller will spend a couple of months in Florida, and will afterward go to Seattle, Washington, where Mrs. Miller will remain while her husband goes to the Klondike gold fields, he being a member of the Alaska Mining and Prospecting company.

On Monday morning a rather serious fire broke out in the new wholesale grocery house of C. R. Malby, this city. The fire was discovered at about 10 o'clock, but could not be controlled until about 2 p. m. The hose companies watered things as generously as usual, and the water did more damage than the actual burning. The loss is estimated at about \$20,000. This is probably covered by the insurance.

Johnny Ike, who has been visiting his parents in this city, returned on Monday to New York.

Joseph Ryan of West Market street, who has traveled on the road as a comedian, character sketch artist and all-around entertainer, and who made quite a hit last summer at Bronson Park, Painted Post, with his impersonations, monologues and songs, contemplates, it is said, organizing a first-class minstrel troupe in this city, for the purpose of visiting and showing at several surrounding towns. Mr. Ryan, although a young man, is full of ambition, energy, and we may add, talent, and his new undertaking will probably create a stir. The costumes are to be gorgeous, and there will be new music—Mr. Ryan himself is a song writer—new "gags," startling drills, and mysterious features yet to be disclosed. There is also, we understand, another minstrel organization forming in this city, to be known as the Alliance Minstrels. Truly, it looks as if, in the world of song and dance and burnt cork, the Crystal City is not so slow.

On Monday morning, the 10th inst., at St. Mary's church, occurred the marriage of Miss Catherine Burns, daughter of Charles Burns of this city, and Mr. Jeremiah Quill, also of this city. The youthful couple have the best wishes for their future happiness, of their many friends.
