

Entirely Cured.
 Jackson, Mich., Dec. 9.
 My 8 year old son was afflicted with St. Vitus Dance and became worse in spite of several so-called remedies, which we tried, but Pastor Koenig's Nerve Tonic cured him entirely. He is now in better health than ever. John Koenig.
 My little boy has taken medicine in the last 12 months, but instead of improving he grew worse. He couldn't talk any more and would fall if he walked on his hands. It was terrible. But when we got him Pastor Koenig's Nerve Tonic he didn't fall once and his speech returned. He can read himself now, while before using the Tonic, he had to be carried over his head. Patsie, Minn., Jan. 10.
 Helvina, Ill., Jan. 10.
 After getting over a sickness my nerves were weak, but nothing strengthened me until I used Pastor Koenig's Nerve Tonic, which I praise for the best medicine because it restored my health. Friends who used the Tonic are also satisfied with it. P. Stinson.

FREE A valuable book on nervous ailments and a sample of the Tonic. Four patients also included. This book has been prepared by Reverend R. Koenig, M.D., since 1884, and is now in his possession.

He is no stranger here. He has been employed by the Silver Lake Ice Company for the past six years and is a steady and honest man. He delivers ice daily at Powers Hotel and all the principal houses and stores around the Four Corners. Mr. Horn has a wife and three children and will tell nothing but the truth about his remarkable cure. He is also a member of the lodge, Fraternal Music Circle of this city.

Deceased was born at Brill, Queens County, Ireland, and with her husband emigrated to this country in 1808, where she has since resided, also being one of the first members of St. Michael's church, which society, by her death loses one of its most active members.

Mrs. Dowling was held in the highest esteem by all her acquaintance. Her many kind and thoughtful acts, having endeared her to them. None who came there for food or shelter were turned away without assistance. She had a kind charitable word for everyone, and her every words of welcome would assure you that it came from her heart.
