THE MERCHANT'S LUNCHEON.

The Office Boy's Doughnut Tempted Him.-Showed His Gratitude.

A rich merchant sat at the desk in and the front and back to the bottom his office, alone. He leaned back in his chair, and drew a long, hard breath quite like a sigh; for he had been struggling all day with difficult business problems, and he was weary in body and mind. Some people think a rich man never has anything to do; but they little know how hard he often edge of the sides.

piece of joist to raise the floor of the keep his riches. It was long past kennel from the ground. When this is the luncheon hour, and it suddenly occurred to this man that he was faint done, look inside and see that there is and hungry; yet he was not ready to no nail ends visible to tear the dog's leave his work and was about to re- skin or stick into him when he lies turn to his calculations when he down.

caught sight of a little brown package A staple with a chain attached, to the end of which may be a snap, can be lying on a shelf near by. It driven in at one side of the front if it was the package of luncheon which is desired to keep the dog fastened. If his little office boy brought with him necessary a door may be fitted to close every day, and to-day the boy, having the hole in front at night, so as to keep been sent on some distant errand, had the dog warmer in winter, but you not yet had time to partake of it. The must never forget to open it in the merchant arose from his seat, took morning, as it would be very disagreedown the package and looked carefully able for a dog to be shut in so small at it. Just such packages had his a place when he is awake. If it is own beloved mother tied up for him, thought desirable to paint the kennel when he himself, a poor office boy, first Losses Promptly Paid Rates Reasonable began the career which had brought the nail holes should be puttied up and the entire outside treated to several OFFICE -201 203 Ellwanger & Barry Building him to his present splendid position. successive coats. A light colored paint Slowly he untied the string, and opened is best. the package. Two nice sandwiches of Always place plenty of straw on the fresh home-made bread, with a little floor of the kennel to make a soft bed cold meat between, a piece of old-fashioned-looking pie, and oh!-a genuine ful to you in his canine way than you New England doughnut! Tears rose have any idea of. to the eyes of the rich man as memory carried him back to the days of To Pussie Your Friends. CLEVELAND, LORAIN, PUT-IN-BAY his boyhood, and to the loving deeds Here is a trick that will delight the of that dear mother. Here was the small boy because by doing it he can very luncheon she had often prepared astonish an army of friends. They for him! And after a few moments he ate it up, every crumb, with far more enjoyment than an elaborate dinner would have given him, and then, refreshed and comforted, he returned to his work. Soon after, the belated boy, came in. and after reporting to his master, he was surprised to hear him say: "Have you had any luncheon to-day, my boy?" The boy replied in the negative, with a glance at the shelf, when the gentleman said with a smile: "Yes, it is gone. I have eaten it up." Then. handing the astonished boy a five dollar bill, he said: "Go out now and get some luncheon; but I want to thank you for the best one I have had for many a long year. And don't you forget, my boy, to be thankful that you have something which I lost long ago, and that is, a good mother.' Catching and Killing Man-Enters. How would you like to fish for a sea monster large and strong enough to devour a man at a single meal-a creature whose skin is so rough that it is made into files when dry? The maneating shark is such a creature, and THE BOTTLE ON THE MATCH. shark-fishing is one of the most exwill not know how in the world it is citing sports known to fishermen. done and he will be correspondingly The man who goes shark fishing happy. To hang a bottle on an ordinmust provide himself with several feet ary match, as shown in the design, tie of stout chain attached to a hook that a string tightly about the neck of the looks like a small anchor. The fishline bottle, lay a match on the cork and is stout rope about as thick as the little holding it, tie the match as shown in finger. The hook is baited with a the illustration. Then call in your chunk of meat large enough to feed a friends and watch their expressions of small family, and the rope line, chain astonishment. and hook are then dropped into the sea from the side of a stout rowboat He Knew How Hay Grew. or fishing smack.
