Corning.

Discipline is a great thing. In any line of fauman conduct it is good but especially in the arrangement of a base ball nine it is an attribute most accessary and commendable. If teaches that self-denial which is at the root of all excellence. And it is because the Spaulding mine have disciplined themselves more or less severely that they have succeeded in becoming the capable group of players they are. To deny that this team is a good one, and deserving of encouragement would be absurd. No fair minded person scan withhold from them the credit they have earned. Though young they are not yahoos; though little they are not lithy. And those scronkers who used in days gone by to object to a Corning nine composed of bigh-priced young men who belonged not in Corning, ought to feel especially proud of those youths whom we have all known since they were "kage high to a grasshopper." The game on Saturday at East Side Park park St. Patrick's church. between the Spauldings and the Hammonds ports was witnessed by a fair sized and enthusinstic erowd and though the Corning mendow they gave the visitors such a race that we awak another contest between these terms with keen interest.

Miss. A. P. Conion of Bullalo, has been visiting friends in this city. Quite a number of Coraing people went to

Elmira Wednesday to see Buffalo Bill's Wild West Show. It is often said that people travel miles from home to see sights less interesting or eastiful than some which they ignore within the confines of their own town. There is walking distance of Corning a place called Mossy Glen which is no doubt an 'updiscovered country" to many of us who know Watkins and have seen Ningara Falls. Tes Massy Glen contains bits of Scenic who lieuwey of the wild, primeval sort some of cal. which would be hard to beat. Great mosesovered rocks with streams of silvery water President of A. O.
