RAILROAD NOTES.

Another valuable addition to Railroad Literature has just been issued by the Passenger Department of the New York Central & Hudson River Railroad. It is No. 5, of the "Four Track Series" entitled "America's Winter Resorts." One of the striking features of this folder is the series of maps in five colors occupying one entire side. These maps are probably the finest of their kind ever published by a Railroad Co. The center map shows North and South America and is presented for the purpose of aiding the Pan American Exposition to be held at Buffalo next year. A profile outline of the Nicaragua and Panama canals is also given, showing elevations, location of locks, etc. These maps are fully in keeping with the standard of excellence established by the New York Central in this class of work, and being geographically correct are valuable for reference aside from being a guide to the resorts to America. Copies of above can be obtained at New York Central offices or by addressing J. C. Kalbfleisch, Dist. Passenger Agent, 11 Main street, East.

SS to New York and Return.

The Erie runs another of their popular excursions to New York on March 6th. Tickets good returning until Sunday, March 11th, inclusive. This excursion offers a splendid opportunity to visit the metropolis and do spring and summer shopping. Trains leave Erie depot on Court street, 6 a. m. and 5 p. m. Tuesday, March 6th.

COOK OPERA HOUSE.

One of the best vaudeville entertainments ever seen in this city is what the management of this handsome play house has promised for the week of March 6th. Mr. and Mrs. Mark Murphy will present their latest sketch entitled "The Seventh Son;" Kitten Mitchell, in her recitations and dances; Harry Howard's dog and pony show is sure to please the ladies and children; Mr. and Mrs. Stuart Darrow in their sand pictures and shadowgraphs; Whitney Brothers, in their musical act, together with Dora and Joe, cake walkers, and Caroline Ward, will complete the bill.

THE BARKER THEATRE.

The attraction at this theatre Thursday, Friday and Saturday, will be the great English success, "A Lion's Heart," with Mr. Carl A. Haswin, the well-known romantic actor, in the stellar part. There is little doubt that the American success of this play will be as great as the English one, for the man who made "The Silver King" such a pronounced dramatic theme cannot fail in making this later stage story as universally liked by theatregoers.

THE SHORTEST ROUTE.

Between Buffalo and Chicago is the Nickel Plate Road. Experience in service and elegance in equipment, together with a perfect road bed combine to make this route the popular one for travel between Eastern and Western points.
