THIS AND THAT.

"Electricity is a funny force," said the observant motorman." "Last night nearly all the current was suddenly off from the wires in the barn, and after a minute, came on again. Soon an order like that of an over cooked dinner filled the power house. On examination, two chickens were found roasting to death on the main wire. For hours the feathered pair had rested in safety on separate wires. The minute Chanticleer reached across to give a good night kiss to his dear The readers of this paper will be pleased Biddy, on an opposite wire, a deadly to learn that there is at least one dreaded current was forced through their duease that science has been able to cure in bodies."-Philadelphia Record.

all its stages, and that is Catarrh Hall's The recent death of a member of a Catarrh cure is the only positive cure known Sedalia, Mo., firm disclosed the fact that for thirty years the firm had kept constitutional disease, requires a constituno account books. It did a strictly tional treatment. Hall's Catarrh cure is taken internally, acting directly on the bloom cash business, and divided the day's and mucous surfaces of the system, thereby receipts each night, share and share destroying the foundation of the disease, and alike.
