### GUESS QUICK.

Only a Short Time Left is the Census Contest.

The Press Publishing Association have notified us that while there is still time to estimate on the census yet, they purpose to enforce the condition that all estimates must be in their possession at least 30 days before the official announcement is made from Washington which may be very soon. It may be four weeks; it may be only two. This is to prevent any fraud or any one from receiving any undue advantage.

Do not delay or it may be too late. Remember it costs you nothing to make an estimate as you get full value for the \$1.00 on subscription account. You stand as good a show as any one of winning one of the one thousand cash prizes that are offered. Read our offer on another page.

Branch 27, C. M. B. A., have adopted these resolutions: It is with deep sorrow and regret that we learn of the death of our spiritual advisor, Rev. T. C. God gave him to us and He saw fit to take him away. We bow in submission to His Holy will.

In token of our love and esteem for our departed pastor whom we will ever cherish in loving memory, be it Resolved, That our chapter be draped in mourning for a period of thirty days, that a copy of these resolutions be entered on our minutes, and the same be published in the daily papers and THE CATHOLIC JOURNAL. Committee: J. P. Keating, G. J. Meade, Chas. Chas, Jas. D. Pemble.
