A Woman's Dream.

Is to own bushels of diamonds. And we are making it possible to have that dream a reality. When you realize how cheaply we are selling these handsome diamond rings, you'll want one.

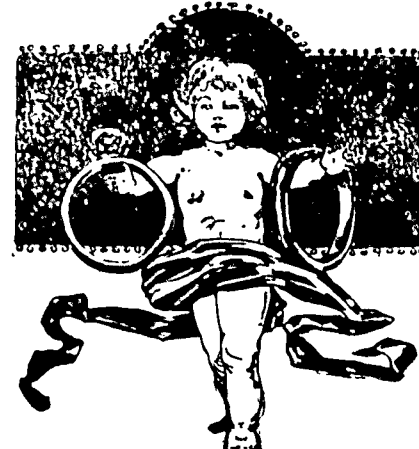

Only a Few Days More.

Come and see the Diamonds and Watches we are selling on Weekly payments. We will use the way we would like to be used ourselves.

IF EVERYBODY knew about our stock this month would be out any Diamond or watch we have to sell business. Every body doesn't believe what they read in the newspapers. You may believe or you may not, but you owe it to yourself to investigate. The only way is to come and see.

Reliable Jewelry.

Our superb array of jewelry and watches make selections easy—everything is in perfect taste and everything may be fully relied upon. We sell nothing we don't know all about, and we tell you everything we know about everything you ask to see.

TWO RINGS always travel with Cupid and two rings travel with the rings we sell—the ring itself and the ring of honesty—honesty in material and workmanship and price.

The machinery that runs this jewelry business is honesty. If you buy a baby pin here, it will be a good baby pin—it will be good when baby is a woman. If you buy a watch here it will be a good watch. Buy something and see if it isn't so.
