OUR AGENT.

Mr. A. Herman, will collect from subscribers in Auburn until further notice.

AUBURN.

After a service extending over a period of 21 years, B. B. Snow, the respected superintendent of Auburn's public schools, resigned on Tuesday. Mr. Snow is credited with having introduced into Auburn an thorough and complete school system as carried on anywhere in the country and the resignation is deeply regretted by all interested in Auburn's institutions of learning. Clifton S. Mann, superintendent of the public schools at North Towns has been appointed as Mr. Snow's successor.

Mr. and Mrs. William A. Murphy, of No. 7 Bradford street, have the sympathy of their many friends in the loss of their infant daughter, Katherine, who died early Monday morning.

The trial of Convict Egor for the murder of Guard A. W. Benedict, which has but recently been completed, will prove an expensive one. This week orders for payment of expense claims amounting to nearly \$300 were drawn. This is exclusive of the fee allowed the murderer's counsel, cost of jurors, court attendants and other items.

An entertainment for the benefit of the Auburn orphan asylum is being prepared by a number of the young people of the Catholic churches of Auburn, and will be presented some time after Easter.

A fair for the benefit of St. Mary's church will be held after Easter, and promises to be a big event. For some time past the people of the church have been earnestly at work in the interest of the fair and a number of committees are rapidly shaping a program to be followed throughout its progress.

The priests of Auburn are kept unusually busy now attending sick calls and administering to the spiritual wants of the ill ones. It seems as though Auburn has but as soon as winter so productive of illness as this winter has been. Hardly a house in Auburn has been free from the visitation of some sickness, generally of a rather severe character.

The death of James Tracy occurred at his late home in Bradford street, on Saturday evening last, aged 67 years. Mr. Tracy was a well known resident of the East end, and had many friends who extend their sympathy to the bereaved family. The funeral was held from the Holy Family church on Tuesday morning when Rev. Father Heister celebrated a requiem mass and conducted the funeral services at its conclusion. The burial was in St. Joseph's cemetery.

LYONS.

With many regrets we announce the death of Mrs. Patrick O'Brien which occurred at the home of her daughter, Mrs. George Burke, Saturday Feb. 23. Mrs. O'Brien was born in Tipperary county, Ireland, in 1808 and came to New York in 1849. She was a member of one of the most respected families of Ireland, being a cousin of Bishop Butler, of Limerick. Mrs. O'Brien was a resident of Lyons, for about 40 years and was one of the most assiduous workers of St. Michael's church in this village, often giving beyond her means to advance the cause of the church. She was also widely known among the poor for her charity and benevolence.

Mrs. O'Brien is survived by two sons, Mr. Geo. Keyes of Pleasantville, Pa. and Mr. John Keyes of Fargo, S. Dakota, and two daughters, Mrs. John Malone of Spencerport, N. Y., and Mrs. George Burke of Lyons. May her soul rest in peace.

OVID.

Richard Flanagan of Albany, is spending a week at his home here.

Father Leibert of St. Bernard's Seminary celebrated mass here last week.

Dr. A. Horton and wife have left for an indefinite length of time to visit at Southern Pines, South Carolina, where we hope the doctor will recover his health.

Mrs. James and John Keady were in Rochester last week.

James Feehan and daughter Agnes, were in Rochester last week.

Edward Hunt for several years engineer in the Ovid Roller Mills, last week purchased a half interest in the Electric Light plant.

Patrick Savage, our county clerk was confined to the house, Saturday, by illness.

An entertainment was held in Columbus Hall, Wednesday evening to close up the books of Holy Cross church. Fred Gilligan furnished entertainment for the audience by his impersonations. The Ovid Madolin club gave some very fine selections.

The medals for Christian Doctrine were awarded to Sam Feehan, and Genevieve Flanagan.

SHORTSVILLE.

The stations of the cross will be held this evening (Saturday).

Mr. and Mrs. Daniel Phelps attended the funeral of the former's cousin, Miss Julia Phelps, at Phelps, last week.

Mass will be said Sunday at 8.15 instead of 8.45.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

AN EXPOSITION BOOKLET

Another Beautiful Production From the Bureau of Publicity of the Pan American Exposition at Buffalo.

Here comes another of the beautiful booklets from the Bureau of Publicity of the Pan American Exposition, Buffalo, N. Y. It consists of 16 pages and a cover in light green. The unique feature of it is the miniature reproduction of the famous poster, "The Spirit of Niagara," which has had a most remarkable demand. The envelope in which the poster booklet is mailed also bears a reproduction of this artistic work. The booklet is a popular picture book, the first page having an engraving of the magnificent Electric Tower, which is 391 feet high, and which will form the glorious center piece of the great Exposition. On the same page is a miniature of one of the tower bearers which will adorn the wings of the Electric tower, and beside it a picture of Niagara Falls. The second page shows a picture of the Electricity Building and five other small illustrations of the uses of electricity. The third page shows the splendid group of buildings erected by the National Government and which will contain the Government exhibits, also five miniature illustrations, one of them showing the life-saving station, where exhibitions will be given daily by a picked crew of ten men, during the Exposition. The fourth page is devoted to the wonderful displays of government ordinance; the fifth to the Machinery and Transportation Building and four other illustrations of modern machines and vehicles. The center of the booklet shows a bird's-eye view of the Exposition, and gives one some idea of the great extent of the enterprise upon which about \$10,000,000 is being expended. The grounds contain 350 acres, being half a mile wide, and a mile and a quarter long. Other pages show horticulture, graphic arts and mines, manufacturers and liberal arts, the Music Temple, the Plaza and its beautiful surroundings, the Stadium or athletic field, the agricultural, live stock and ethnology features, and a few of the 30 and 40 ingenious and novel exhibits which promise to make the Midway the most wonderful that has ever been prepared for Exposition visitors. The last page shows a ground plan of the Exposition, whereon the location of different buildings is indicated. The railroads will make low rates from all parts of the country during the Exposition, which opens May 1, and continues six months, and the people of Buffalo are preparing to entertain comfortably the millions who will attend. Anyone desiring a copy of this booklet may have it free by addressing the Pan American Bureau of Publicity.

OWN NEW PREMIUM.

Sichel's "Madonna" is his masterpiece, in the treatment of which he combines a simplicity of composition with an energy of characterization that has caused it to be stamped by high art critics as the greatest of all modern Madonnas.

The following tribute has been paid to Sichel by one of Europe's foremost artists, which demonstrates to a slight degree the regard in which this picture is held by the world of art:

"Though modern, both in conception and execution, Sichel's Madonna and Child placed on the line with the best of old masters, will stand out like a brilliant gem among so much treasure. It has all the grand qualities that have made the "Sistine" and "del Sedia" famous; added to this, his knowledge of the beauty line, coupled with an exceedingly clever composition, which in all produces the grandest Madonna ever conceived by man. While Sichel has for years made a specialty of, and is known chiefly for his charming Oriental pictures, yet in this change of subject he has surprised the art world, not so much by the departure from his favorite line as in the quality of the work—producing a canvas that will ever stand as a monument to his name. The chic and charm of his odalisques pale before the sublime beauty of the Mother, and the Christ Child possesses in the contour of his face, both baby grace and Godliness."

A copy of this masterpiece will be given to all subscribers—new and old—on the day of the dollar in advance for

their subscription during the year. Subscribers in arrears can also secure a copy by paying up all arrearages and one dollar for the present year.

COOK OPERA HOUSE.

The programme of classic vaudeville at Cook Opera House the coming week gives promise of an entertainment of more than ordinary interest. The big bill is headed by the famous tragedian, Mr. Daniel E. Bandman and company, first appearance in vaudeville in Rochester of the illustrious Shakespearean actor. Mr. Bandman will be remembered by old theater goers, for his appearance here were annual occurrences some years back. He was known as one of the greatest actors on the stage, ranking with Booth and Feshter. The younger generation will have a chance to admire his genius, for like the honored Joseph Jefferson, his faculties have not been impaired with the lapse of years. Mr. Bandman, supported by his own company, will present Sheridan's beautiful one act play "David Garrick," in which Mr. Bandman has played the title role in two languages more than 1000 times, during the tour of the world. The play will be prettily staged and handsomely costumed. This strong attraction is supplemented by nine other excellent numbers on Manager Moore's attractive programme. The dashing Nellie Burt and her funny pickaninnies will be seen to advantage in Miss Burt's own original idea of rag time fantasy. Messrs. Newell, Chingulla and Dupuis will offer a unique musical act, all three of whom are Indians, graduates from the Carlisle school in Pennsylvania. They are said to be accomplished musicians, and to give a very entertaining performance. Many other acts are on the gala bill, and the new Biograph pictures. There will be plenty to happily entertain all last, but not least will be Prof. Joe Monk, who is a whole orchestra in himself, and he will present "American Victory" march and two-top, by H. S. Line. Two performances every week day. Special Ladies' matinee daily.

BAKER THEATRE.

"McFadden's Row of Flats" has been entirely rewritten up to the minute and the latest New York sensations of life on the east side are burlesqued in a most approved fashion. In this season's production the management has spared no expense in scenery, costumes and mechanical effects. It comes to the Baker the first three days of next week. "Fritz in a Madhouse," which met with much success at the Baker theater last season when presented by the two well known favorites, J. K. Emmett and Lottie Gilson, will make its annual visit to this city the last half of next week at the Baker theatre.

A TRIP TO THE MOON.

How would you like to take a trip to the moon. The above picture represents one of the features to be seen at the Pan American Exposition which opens at Buffalo in May.

Men and Women of the Stage

Subjected to severe hardships—exposed to the dangers of disease—acting at all times under great physical and mental strain—often "burning the candle at both ends"—uniformly make use of Duffy's Pure Malt Whiskey to soothe unsettled nerves, dispel symptoms of sickness and invigorate and nourish the whole being.

Duffy's Pure Malt Whiskey, approved and prescribed by the medical profession, adopted and used exclusively in the leading hospitals of the country, is a medicine whose tonic effect never fails to revive and vitalize the exhausted system. It is "a form of food already digested," whose sustaining power is greater than that of beef juice. For these reasons Duffy's Pure Malt Whiskey is thoroughly appreciated by Actors and Actresses, Public Speakers and Prima Donnas, Ministers and Lecturers.

Miss Marie Stuart, who is so favorably known for her dramatic successes in leading roles, writes:
Philadelphia, Pa., Jan. 2, 1901.
Duffy Malt Whiskey Co.
Gentlemen—I have never used any other medicine since I discovered the value of Duffy's Malt Whiskey.

Mr. Clayton E. White, who has attained a most enviable reputation as a "top-liner" on the vaudeville stage, makes this statement:
Philadelphia, Pa., Dec. 8, 1900.
Duffy Malt Whiskey Co.
Gentlemen—After having had Duffy's Pure Malt Whiskey recommended for various ailments by a score of physicians from Maine to California, I decided to be my own physician (saving the expense of the doctor's advice), and have not been without it for the past five years.

Use Duffy's Pure Malt Whiskey

As a medicine and it will never fail to bring health and strength. It stimulates the organs to increased action enabling them to throw off disease and smoothes away trials and anxieties that burden and exhaust. It is the only whiskey taxed by the government as a medicine—in itself is a guarantee. Ask for free medical booklet. It will cost you nothing to learn how to regain health, strength and vitality.
