CONTENT AND HAPPY AT 93.

Here is just another one from thousands of testimonials sent to us- this time by a man who is a prominent citizen of Newark, and who by the aid of Duffy's Pure Malt Whiskey has reached the last decade of a century life and is confident he will reach 100.

Park House, Newark, N. J., February 25, 1901.

Gentlemen It affords me great pleasure at the present time to report to you the great benefits I am deriving from your Pure Malt Whiskey. I am 93 years old and enjoy the best of health. About ten years ago I found my strength was failing me, and the thought flashed across my mind: "Am I now to be an invalid the rest of my life?" My good common sense told me that what I needed was a tonic and stimulant, something to keep up my strength and ward off disease. I was recommended to try Duffy's Pure Malt Whiskey After two or three weeks I noticed a change coming over me. Nature seemed to be taking on new forces and life and strength were returning once more My tired, worn out nervous system improved, my brain became clear I had delightful sleep, and would awake refreshed, feeling that life was not a burden My appetite is excellent, eyesight fair, hearing good. I am positive I owe my present condition to your Pure Malt Whiskey. I am satisfied it is prolonging my life; not a life of misery, but one of contentment and happiness. I shall continue to use it, with the hope that I will yet pass the century mark. Gratefully yours, EZRA GOULD.

Are You Spring Tired?

Nearly every one is nowadays. And it is perfectly natural that you should be; for winter, while apparently bracing, is all the time sapping your strength. It leaves every one in spring in a fagged out condition. YAWNING, physically and mentally, best describes it. This is especially true if you have had the GRIP or other illness so common in the winter months. To carry you through the spring period of changeable weather to summer when you can again gather strength and lay up energy for next winter, you need

The World's Famous Spring Tonic and Stimulant

Duffy's Pure Malt Whiskey.

Aids Digestion, Stimulates and Enriches the Blood, Invigorates the Brain, Builds Nerve Tissue, Tones Up the Heart, Fortifies the System Against Disease Germs and Prolongs Life.

If you wish to keep young, strong and vigorous and have on your cheek the glow of perfect health, take DUFFY'S PURE MALT WHISKEY regularly, a teaspoonful in half a glass of water or milk three to five times a day and take no other medicine. It is dangerous to fill your system with drugs: they poison the system and depress the heart (Quinine depresses the heart), while DUFFY'S PURE MALT WHISKEY tones and invigorates the heart action and purifies the entire system.

Write us and state your case. It will cost you nothing for advice. We take an interest in all our patients. We will send you a medical booklet free, which contains symptoms and treatment of each disease, also many convincing testimonials of marvelous cures. DUFFY'S PURE MALT WHISKEY is the only one taxed by the United States Government as a medicine. It has been the means of saving thousands of lives. It will save yours if you will try it.
