GALWAY .- The death of Mr. Michael Daly, of Dourass, Ballyglunin, occurred April 18, at the patriarchial age of 91 years, deeply regretted.

It will be recollected that in a recent issue of the Pilot, Galway, there was recorded an extraordinary recovery of a man named Hynes, of Eyre » street, found in a drowning condition st Nimo's pier. Hynes was dragged . ap by fishermen, who, thinking he was dead, left him on the pier, while they went to St. Nicholás street for Conz stable May. The constable, after trying artificial breathing and having the man briskly rubbed, succeeded in getting him sufficiently recovered to have him removed to the Infirmary, where he was further attended to till he was restored. Constable May deserves great credit for his action, as it was through his efforts that the man recovered. Unfortunately, Hayes has been missing for several days. It is stated that the family retired to rest one night and when they awoke in the morning Hynes was not there and has not since been seen. He is stated to have been a very quiet, upright man, rather silent and depressed latterly.

LEITRIM .- Mr. McHugh, M. P., today had forwarded to him for revision in prison (where he is undergoing sentence for contempt of court) a printed proof of the bill he introduced into the House of Commons to diminish the terms of imprisonment for contempt of court and to establish a tribunal of appeal in such cases.

MAYO.-On April 12, at the Convent of Mercy, Sligo, died Sister Mary Augustine Nolan. Deceased had completed the 76th year of her age, and over fifty-three years had elapsed since she left the home of her parents in Moyne to enter the religious state. She was the sister of Rev. Peter Nolan, Killala. On April 14 her remains were interred in the convent burial ground by the side of a younger sister.
