BY MARY ROWENA COTTER. [Continued from last week.] PART THIRD.

IX.

"Yes, only the day before I had discovered the plans of the negro family who helped you escape, and would have placed them in the hands of au. after your sister's death thorities at once and they would never have helped another Northern officer to escape; but thoughts of my dying child at home made me negligent in duty. Whenever I thought of betraying those people something kept me back, then the thought came that perhaps they might help you escape death. It was I who bought the resembling death and took it too the family. Naturally suspicious of us Southerns they strongly denied ever strongly denied ever southerns they strongly denied to strongly the strongly of the powers and every southerns to summing to our neighbor whom we have offended ready to sum the strongly to our neighbor whom we have offended ready to sum the strongly to our neighbor whom we have offended ready to sum the strongly to our neighbor whom we have offended to our neighbor who so that she could see you before her having helped anyone escape, but when good bye.' I mentioned circumstances of which I had strong proof they showed the greatest fear, still they persisted in their deception. When I asked them to help you they refused saying they would'nt dare do such a thing. theatened to betray them at once if they would not comply with my wishes but they still persisted that they were not guilty. At last by offering them money I succeeded in bribing them, but they still said they had never done any such work before. That day I managed to point you out to the boy who at the first opportunity, passed you a drink of what you been granted them and had James prevented he wished to accompany desease will end them, or that years of supposed to be pure water, through a been going to the gallows his heart her for the double reason of being her recuperation will be required or that hole in the wall, but the draught could not have been much heavier protector and seeing Melissa, but to real health will never be theirs contained the drug which I had than when he searned the ruth. his grief her saw too plainly he was again. prepared. You were soon after carried out with the dead. I succeeded father, "and permitted you to go in diverting the attention of your back to the ememy; but this time I by the presence of a husband who decorum in the seminaries, lack of tation by Riward Residues to the most succeeded father. the attention of you guards while your body was stolen and carried to the cabin where a restorit required the greatest caution on my effaced, and as James looked at it he object in going was to win the heart and the sudden and cheerless change lie, by Master Harry Crane and ing a cowardly and unpatriotic deed, efforts nearly lost my own," but he she did not return home a bride but the memory of my darling child would not take upon himself that The preparations were complete run on the simplicity basis:

at home?' "I did."

"Who told you?"

one knew. The grief of the Carlton family appeared to be intense, and the mother refused to be consoled, as with loud lamentations she went from one fainting fit to another. Not death alone, but the terrible fact that now all was in danger of being lost, caused this outburst. Belle was little less consolable than her mother; for while weeping for dear Bessie, she thought of all she had lost and of the grand dresses she could not wear for a whole year; them of what use would they be to her a poor daughter of a fallen planter. Even the fortune of Frank Tone was probably lost to them now. for he might marry, but if not he would for remember his wife's relations in his
