**Does the work better  
Makes the cake sweeter  
Saves labor, time, health**

base ball created much interest in the crowd, ladies and all cheering the successful ones. Bountiful tables were spread by the ladies, where the inner man was well cared for. Dancing was indulged in by its votaries and all returned in the evening, having spent a very pleasant day in social chat and amusements. In the evening Brendan hall was lighted and Wiggins' orchestra discoursed music for the dancers. Supper was served again, and reluctantly the young people separated, wishing that next year, Labor Day, may afford another good time. We were much pleased to see so many of our out-of-town friends with us for the day and evening, and hope all enjoyed themselves as well as we would like to have them.

**DR. TAFT BROS. MEDICINE CO.**  
Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the last 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 130th street, New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

**DR. TAFT BROS. MEDICINE CO.**  
Gentlemen: I was troubled with Asthma for 23 years. I have tried numerous remedies but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-size bottle, and I am ever grateful. I have a family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit.
