EUGENE J. DWYER, The Popular Candidate for Member of Assembly of the Third District.

Eugene J. Dwyer, who was nominated by member of the Assembly by the Republicans of the Third District, is one of Rochester's rising young lawyers.

He is a son of the late Michael Dwyer, who for many years was a well known and honored resident of Rochester and was engaged in the wagon making business until his death. Mr. E. J. Dwyer was born on Vienna St., Feb. 12th, 1872, and resided there until two years ago when he married the eldest daughter of the late John Connell, formerly of the firm Connell and Dengler. Since his marriage Mr. Dwyer has lived on Augustine St. in the 11th ward.

Mr. Dwyer is one of the most prominent members of St. Bridget's Church. He received his early education in its parochial school and graduated from the high school. After a brief period spent at the University of Rochester Mr. Dwyer entered upon the study of law. He completed his course at the Chase Law School and since then his career has been a brilliant success in the practice of his profession.

Mr. Dwyer's first public office was a second assistant corporation counsel. His record in this position was such that he was promoted. He had charge of many important matters for the city and was adviser to the law and assessment committee of the Common Council. The auspicious abilities displayed in this office was noted by all who came in contact with him. It will thus be seen that Mr. Dwyer has had a special training for the office which he seeks.

The experience gained in municipal affairs will be of great value to him at Albany. His cast of mind and his great talent pre-eminently fit him for the office and he will no doubt be elected.

Mr. Dwyer's interest in Catholic affairs is not confined to the affairs of St. Bridget's Church alone. He is a member of the K. of C., A. O. H. and many other Catholic organizations.
