"YOU'RE NO GOOD, AND YOU CAN'T PLAY" small town. He tried hard to bring the rural musicians into line and succeeded fairly well except with the man who played the flute.

Mr. Eastus became desperate and exclaimed: "Look here, my friend, you stay out of this. You're no good, and you can't play." The flute man calmly looked up and made reply: "If I don't play, you don't. I'm the mayor of the town, and I won't give you a license."—Chicago Inter Ocean.

The readers of this paper will be pleased to learn that there is at least one dreadful disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundations of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.

Bill, they kept the secret, though Alice had gone from tree to tree and asked them time and again. One morning, after a heavy wind and rain-storm she found Bobby-Bright-Eyes on the steps that led up to the long, wide porch, where all the girls liked to play so well.

CLEAR COMPLEXION

Some Valuable Information on How to Obtain Such. ONE subscriber writes asking what she shall do to free her face from blemishes and discolorations.

Woman should not be condemned for wanting to clear her complexion. Clearing the complexion, however, does not mean covering up the blemishes with powder and paint, but using remedies that will forever wipe out the defects and leave the face smooth and beautiful.

Another most excellent wash is this, recommended by Dr. Erasmus Wilson, of London. Mix well one ounce of elder flower ointment with twenty grains of sulphate of zinc.

Caution about rubbing the face the wrong way is always in order when on the subject of face beautifying.

Before going out into the sun after undergoing a face beautifying process it is wise to rub on a little vaseline or cold cream and then cover with a powdering of rice powder.
