A. A. SCHANTZ, C. P. A., Detroit, Mich. OLD POSSUM'S EXPERIENCE.

What Befell Him on His First Moonlight Ramble Alone.

ell, children, ' -aid the old Father 'Possum to his family, as they were all assembled an the hollow tree which serve! as their home, "did I ever tell you about my closest call?" No," said the youngest, as he cud-

died up more closely to his mother. "Do tell us about it," said the oldest son, 'it must have been something 'It was," said the father. grand " "but I did not look at it in that light at the time it happened," and after boxing the ears of the eldest, who was pulling the fur out of his brothers to amuse himself, he continued:

"I was very young and inexperiinced at the time, and in spite of my mothers warning to me to observe creat can ion in my rambles at night 1 paid no attention to her and used no discretion whatever, wandering around at my own sweet will instead of following her instructions, but I - ame near paying dearly for my dlsobediand as you shall hear

"It was over in the old Marsh woods, the one in which there are two or three -aw mills running now It was on account of the saw mills your mother and I moved here.

"I was the oldest of a family of  $\epsilon, \mathbf{x}$ , and therefore, thought i ought to have more privileges than some of my brothers and sisters," at which his eides son shook his head vigorously, "and sometimes on account of my age I was allowed to take a ramble by my-Be'f without the rest of the family being along One night the weather was extra fine and I determined to take a stroll in the woods, but what was my surprise to find that we were absolutely forbidden to go out that nigh at all and more than that my mother refused to give me any reason why I could not go when I ventured to ask her for permission

"This enraged me greatly. I was treated like a boy, I thought, and I would not stand it, I told myself and telling my mother I was going for a drink and would be back as soon as I had got one, I started out

"There was a full moon and the stars were all out in the sky miking it nearly as bright as daylight. I got along nicely not even stumbling over 120 Oregon Street anything, and having covered a good deal of ground. I looked around, and spying a tree full of ripe haw, it was not long before I had climbed to the top of the tree and was eating the ripe fruit. I was very careful to eat the best myself for although I intended Pernin Universal Phonography. Highest taking some of the fruit home with and instead of reserving the best for crammed myself so full of the truit there being such a quantity of it that I could not bear to leave off after ea ing my fill, and gorged until I could gorge no longer, so that I could hard-

"Then I hung my tail from one of the branches and went to sleep. I was wakened by a dog barking under the tiee and then a gun went bang, and I was so surprised and badly scated for that matter too, that I dropped right NOTICE TO CREDITORS Pursuant to an down to the ground without thinking Norder of Hon view A Bentor Surrogate of and then a boy bit many whack with a and then a boy hit me a whack with a big stick, and holding me up by the

"He thought he had killed me but one of the others told him I had only been stunned and advised him to John C King

but he objected fo that and said he was quite certain that I was dead and then to make sure he banged me over the head with his club again, and put me in a sack which he flung over his his shoulder and taking the ends in his hands he went on with the rest

"Now you see, I had learned one thing at least from my parents and that was to always protend to be dead if I was ever captured by any one. I could not move around in the sack for fear of disturbing the boy but as the Fire. Enpoye's Liability, Plategiass sack joited a great deal I had about decided to gnaw a hole in the end and slip out, had not the dog at that moment jumped up at the sack to get at me, for I think he suspected I was not dead and this decided me not to try to escape in that way, having often heard the old saying, it is better to be a live possum in a bog than a dead one in the mouth of a dog,' and I kept plan.

"But I soon gave it up, and then I began to think of my poor parents and how they must be worrying about me and so sad did I become that I actually shed tears thinking about what they would undergo when I would never come back. But just then the dog started on again and began backing under another tree and the boy ing his gun he started to run under. Holiness had appointed a special day

"I saw the opportunity at once and took advantage of it. The mouth of the sack had not been factened and I slipped out and into the underbrush without being noticed. It did not take me long to find my way home and Sergeant Love, or the "G" Division. when I arrived my parents could hard- Mr. Kilbride was sentenced to four ly believe that it was myself. They thought I had been captured and had given me up as dead, and when I told them my adventures it was all I could do to convince them of the events that short time ago. He is in Kilmainhan had taken place, but after I had told prison. them all they were so overjoyed at my escape that I did not get the good scolding I should have received.

"And that, children," said old Father Possum, as he settled down to take and carelessness of that boy that ever presided. I escaped being served on the table." Moral-Always take the advice of
