great many defects of character, and if a sid only pretends to be kind and inches of space for two mon.hs. sympathetic she is supposed to possess Things has been droppin' of considall the angelic qualities.

One day Robert Carpenter asked me to try advertisin' for a spell.' to marry him. He proposed in a blunthat I did not know at first what he business, Mr-er-Chapman!' meant. He made me almost as cona box, undecided whether to wear it or scrawled the following: give it back.

I don't think I expected that Gus would hear of this and come forward as Robert's rival. He did not, at any rate. When I met him he simply said: Well, little girl, so you are engaged.

to Carpenter. He is a good fellow, but you are young. You should have walted a little longer."

marriage," I replied, somewhat shary**br**.

"No, but I think it ought. It keeps many young men straight to be engaged, but they ought to feel confident that the girl's heart is fixed Mp. on them."

"Perhaps the girl's heart has little to do with the matter nowadays. She has to consider other things."

"Yes, I suppose so. But the heart is not to be ignored."

This was about all that was saidsips reported the contrary.

Robert was impatient to be married, but I was not. He accused me of being more wholesome than the eight-course cold, and of not reciprocating his pasto act childishly. I found Robert's at- potatoes or rice. In this country seatentions wearisome. It might be said that he would be cured of them by per only. People in the Eastern counence to look forward to.

One evening we had a quarrel. He accused me of a secret admiration for them slowly enough to draw out the Mr. Hayes-that I held him off hop- flavor. Extracts and sauces prepare? ing Gus would come forward as a chemically, and mustard and horsesuitor, and added, as a final rebuke, radish, may be taken now and then, that he and Hattie Trude had been perhaps to advantage; but as a rule married the day before. He showed things of this kind should be avoid. me a paper with the marriage notice or used sparingly. printed in it.

I was so angry at the accusation that at first I told him the engagement "I hope my explanation is satisfacbetween us was broken. Then he be- tory," said Mr. Younghusband, as he gan to plead for himself, expressing concluded a long narrative as to why such sorrow at his hasty words that he had been detained down town until gradually I relented. After all, had I 1 A. M. treated him rightly? At last I agreed "Well," yawned Mrs. Youngbusband, to marry him at once.
