Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundations of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### THE CARNEY HOSPITAL.

A Letter of Introduction from the Sisters of Charity.

"We take great pleasure in adding to the many deserving tributes rendered to 'Father John's Medicine.' It has worked wonders in numerous obstinate cases of Phthisis, Consumption, bronchitis and similar maladies. Some of our employees have used it and derived great benefit therefrom." (Signed) Sisters of Charity, Carney Hospital, Boston, Mass.

Father John's Medicine is endorsed by hospitals and clergy as a tonic and body builder and an unfailing remedy for coughs, colds and all throat and lung troubles. It has had fifty years of success in curing these diseases, since it was described by an eminent specialist for the late Rev. Fr. John O'Brien of Lowell, Mass., by whom it was recommended and from whom it derived its name.

It is not a patent medicine and is free from morphine, opium, or other poisonous drugs.

The ingredients of Father John's Medicine are pure food elements which build up the body at the same time that the impurities are driven out and vitalizing disease germs are overcome.

March is a dangerous month because the change of season is more than a good many systems can stand. But if the system is fortified, the impurities driven from the blood, and the tissues fed with wholesome, strengthening tonic such as Father John's Medicine there is no danger in the change of seasons. It strengthens the system and drives out the poisonous waste matter. Prevents pneumonia and consumption.

Father John's Medicine is for sale by the following Rochester druggists. Any druggist can get it for you: Bryan Drug House, Drake Drug Co.; H. B. Newman, 160 Jefferson Ave.; G. W. Jones, 129 Central Ave.; The Robb Pharmacy, Clinton Ave. and Andrew St.; Chas. M. Peck, 173 Plymouth Ave.; F. W. Fickett, 689 Lake Ave.; Geo. Hahn, 551 State St.; A. C. Dempsey, 189 East Ave.

If your druggist does not have it, send for a large bottle, express prepaid, Carleton and Hovey Co., Lowell, Mass. For sale in Geneva by Dr. A. L. Swett, druggist, 40 Seneca St., and W. H. Partridge, 13 Seneca St.
