MONSIGNORE CONATY

The Notesi Educator and Porner Rector of the Catholic University of America at Washington Is to Succeed Bishop Montgomery, A recent dispatch from Rome states

that as a result of the favorable report of his emineace Cardinal Satolli, prefect of the congregation of studies, the

congregation of the propaganda has decided to propose to the pope that he appoint Mgr. Comaty, former rector of the Catholic university at Washington,

as bishop of Los Angeles, Cal., in succession to the Right Rev. George Montgomery, recently appointed coadj utor archbishop of San Francisco. The decision of the propaganda to

propose the name of Bishop Comaty finally disposes of the matter, and it is only a question of time until official announcement of the appointment will be issued.

Bishop Conaty will not leave for his new field of labor until he receives the papal bull, which may not arrive for several momths, according to precedent in such cases. He will remain at his present post until the arrival of his successor and will attend Mgr. O'Counell's installation in his new office. Bishop Coracty will be present also at the meeting of the trustees of the aniversity in Washington on April 22 and will keep some engagements to wish friends in New England before start
