Bishop Lindt celebrated the 9 o'clock mass last Sunday, his first well visit to the church. Tuesday he started on his journey. He expects to reach San Francisco the 21st of the month and to meet Judge Hoff on his return to the United States.

Father Angelo of St. Bernard's seminary, preached at the high mass Sunday on the subject of the absence of Father Kavanaugh.

Harvey Edin, who died in Syracuse last week, was formerly a member of this parish.

At the meeting of St. Anthony's Society last Sunday, Father Kavanaugh was elected president and treasurer of the society. Father McCabe was president and Miss Phoebe O'Rourke secretary. The report for last year was very gratifying and showed good and careful work on the part of the retiring officers, who have labored faithfully for several years in behalf of the work of the society. The receipts for the year were \$271.62, the amount expended \$21.13, leaving a balance of only 49 cents in the treasury, but with the continued charitable offerings to St. Anthony's bread box this amount will rapidly increase. The money was used to buy food and fuel etc. for several needy families. Every member of the congregation should be enrolled in the membership of the society which does so much good in relieving the wants of the poor of the parish.

The Rosary Society will meet next Sunday.

A large number of people attended the performances of "Claudia, Pilate's Daughter" given by the Ladies Aux. at our school hall on last Monday, Tuesday and Wednesday evenings. All the parts were well taken. Indeed it is very difficult to point out individual excellence. The title role was very ably portrayed by Miss Anna Vesheven who by her winsome ways and clear enunciation carried the audience with her. Julia Fisher in the part of Leah showed to good advantage the great histrionic talent of which she is possessed. Miss Ida Meyer played the part of the Roman sorceress Altra with her usual skill and ability. Miss Amelia Ziegewitz as Pilate's wife had a part which she was well able to fill. Those minor parts which go so far toward making a production a perfect whole were portrayed in such a way as would do credit to a professional company. Last but not least the play netted a good sum towards the school fund.
