**Beware of Ointments for Catarrh that Contain Mercury**  
As mercury will surely destroy the sense of hearing and ruin the brain, it is wise to avoid any medicine that contains it. It is better to use a safe and reliable remedy that will cure the disease without doing any harm to the system. Such a remedy is Dr. Williams' Pink Pills for Pale People. It is the only medicine that will cure the disease without doing any harm to the system.

**National Theatre.**  
Two Rochester favorites will be seen at the National Theatre the first part of next week in the high class society drama "A Man of the World." They are Miss Rose Stahl and William Bonelli, both of whom have many friends in this city. Matinees on Monday and Wednesday.

Kirke Lashelle's splendid production of the dramatization of Ian MacLaren's "The Bonnie Brier Bush" with J. H. Stoddard, Reuben Fax and a competent supporting company will be seen at the National Theatre the last part of next week. Matinees on Thursday and Saturday.

**BAKER THEATRE.**  
Thanks-giving Day the play chosen by the Davis Boyle Company for their second week at the Baker Theatre is a high class domestic drama on the lines of "The Old Homestead." The play tells a story of great heart interest, but in no sense a melodrama. Mr. DeDona and Miss Browne will be given parts in this production worthy of their talents and the strength of the supporting company will be shown to a greater extent than was possible in "Jim Bludso."
