LOOK OPERA HOUSE.

Next week brings one of the most important events of the local dramatic season. This is the presentation of the dramatic version of "Parisfal" by the Cook Opera House Stock Company. It is impossible to describe briefly the wonderful drama. It is sufficient to say that the drama was made a careful and painstaking and intelligent dramatic story from the story opera. The almost sublime atmosphere has been preserved to the wonderful extent. And the orchestra music retains all its strength. A corps of eight or ten men and women will interpret Wagner's wonderful music.

BAKER THEATRE.

The Prince of Hearts James K. Gandy starring in a new play "New York City" will be produced by the popular Dave Boy's Stock Company at the Baker Theatre next week starting with a matinee on Monday and including regular matinees Tuesday, Thursday and Saturday. The story of the same boy's adventures and trials of the hero's step girl Anna Morville and the striking pictures of various phases of Metropolitan life which have shown continue to make this play one of the most interesting of its type.
