COOK OPERA HOUSE.

"The World Against Her" is the offering underlined for next week at the Cook Opera House Stock Company. While this is rather a melodrama, it is intelligently written, well constructed and tells a story that is worth telling in an interesting way. Besides affording wide scope for the leading woman to display her emotional ability, it presents dramatic situations and many highly exciting scenes. It will be presented every evening next week with matinees Monday, Wednesday, Friday and Saturday.

National Theatre.

The engagement of Miss Jessie Bonstelle at the National Theatre has proved so successful that it has been decided to extend it indefinitely. Next week's attraction will be Julia Marlowe's success, "When Knighthood was in Flower," which that actress has presented so successfully in the last few seasons. The play has never been played by a stock company, and the rights to the piece were secured by Miss Bonstelle only after much persuasion. There will be matinees Tuesday, Wednesday, Thursday and Saturday.

BAKER THEATRE.

Walker Whiteside will produce at the Baker Theatre all next week with bargain matinees on Monday, Tuesday, Thursday and Saturday, his greatest success "Heart and Sword" a story of love and war, the plot of which is laid in the old German principalities. Mr. Whiteside will have a great opportunity in this play for displaying his versatility. A handsome souvenir will be given to each lady attending the performance Monday matinee. No advance in prices.

We acknowledge the receipt of an invitation to attend the dedication of the Irish Industrial Exhibition, at the world's fair, St. Louis, Mo., on Saturday afternoon, June eleventh.

Sound reasons for the Nickel Plate Road's popularity. In making a long railway journey; the two principal points to be considered are Cost and Comfort. The first of these is the least, and the second the greatest, if you select the Nickel Plate Road. For the rates to whatever point you wish to reach are always the lowest via that line. And the degree of comfort is greatest, not only on account of an excellent roadbed and the highest standard of equipment but from the fact that your welfare is personally looked after throughout the journey.
