All are Pleased with the Effect.

From St. Peters and Paul's Monastery in Cumberland, Md, the following is stated: Pastor Koenig's Nerve Tonic has been used here by a number of its inmates, with always good result. The severe strain caused by the hard studies falls on those with weak nerves, sometimes causing sleeplessness. A case of this kind of year's standing was cured by three bottles of Tonic. In other cases the Tonic proved very efficacious and all those who took it are pleased with its good effect.

Rev. J. H. Keim, of Bartelso, Ill., informs us that he has used four bottles of Pastor Koenig's Nerve Tonic against sleeplessness and nervousness with good results.

DREAMLAND

New Resort to Open Saturday, May 27

Dreamland, the magnificent new resort which has sprung from nothing at old Glen Haven, bids fair to surpass the promised grandeur mentioned by the promoters when they came to Rochester in the winter and promised a transformation. They have worked well, and when the throngs of pleasure lovers take the journey to the well known summer grounds on Saturday, May 27, they will wonder that so much has been done.

To tell all that has been done up to date would require an expenditure of space not allowable at this time. Suffice to say that the hustling management of the amusement enterprise has persuaded the railroad company to double track its system to and from the park, has erected the largest Figure Eight Roller Coaster and the most enormous Giant Carousel in the land, has laid three acres of concrete walks, has constructed a stupendous elevated circus stage and ring in connection with twin electric towers and a vast band stand, and has scattered about the grounds, a Ferris Wheel, Katzenjammer Castle, Razzle Dazzle, Myth City, Cleopatra Castle, Cave of the Winds, House of Trouble and now is making a frantic struggle to have in readiness for the opening day a very large, handsome and composite vaudeville theatre.

The famous Royal Hungarian Boy's Band of Fiume, Hungary, and the marvelous Reed family, Europe's most finished and daring bareback riders who have been engaged to give a series of their startling performances on the open air stage of Circus Maximus.

A Japanese Expert.

Katsukama Higashi, the Japanese master of jiu jitsu, who has succeeded in throwing Tom Sharkey, "Ajax" the big man of the New York police force, and other big wrestlers, is a tiny man And he has the "gentlest, most engaging smile you ever saw He is full of courtesy and sudden death," as some one said of him He was born in Japan twenty two years ago and is only 5 feet 3 inches tall and his weight is 115 pounds His muscles are soft as a woman's Many American jockeys are larger and more muscular than he.

He has been practicing jiu jitsu since he was 9 years old He was a pupil of the great Kano and taught the art in Doshisha college in Kyoto The greatest weight he ever lifted is 250 pounds "Ajax" Whitman, whom he overthrew has lifted 1 200 pounds Mr Higashi drinks hot water every morning, eats fruit, rice and fish, meat only once a day, and rarely drinks tea

"The fatal tricks?" he said in answer to a question "I did not teach them Even Kano will put a pupil through many tests before he will trust him with the fatal tricks He would not teach them to a fighter We never, never teach jiu jitsu to a wrestler."
