EVERY PROPERTY OWNER SHOULD PROTECT HIMSELF WITH AT LEAST ONE OF THE KILFIRE

FIRE EXTINGUISHERS

KILFIRE is dry compound fire extinguisher, portable, 22 inches long and 3 inches in diameter. The contents of the cylinder, unless used, will last forever with no loss of power. It is not affected by moisture—cannot freeze—cannot explode—is not poisonous—cannot harm the most delicate fabric or the most expensive woodwork. Remember this, although a person may be fully insured in case of fire there is danger of losing some articles which cannot be replaced at any price. Buy a KILFIRE at three dollars and feel safe.
