One hundred members and guests were present Wednesday evening at the annual banquet of the Catholic Young Men's Club, held in the parish hall with Rev. M. J. Hargather as toastmaster. The hall was handsomely decorated with flowers and plants, and hung with bunting and flags.

After the dinner there was a long toast list and many bright responses met the toastmaster's introductions. Rev. John P. Schellhorn, of the Church of Our Lady of Perpetual Help, responded in the absence of Rev. J. M. Petter, professor of music at St. Bernard's Seminary, who had been called to Auburn. Dr. Petter was the first moderator of the club, and his old-time popularity was demonstrated anew when his greetings to the club were read. There were addresses by Frank Koch, Rev. M. J. Krieg, of St. Bernard's Seminary, and Andrew Wollensak. Rev. F. J. Prompeter, of Kingfisher, Oklahoma, who was invited to the banquet, sent greetings to the club, and regretted that the 1,600 miles was too great a distance to traverse even for the pleasure of the dinner party.

The occasion was one of great enjoyment for all who were present. The celebration was one of the most successful in the club's history.

Our fair, which has been in progress in the church hall, closed on Thursday evening with the largest attendance of all three evenings. It has been one of the most successful ones ever held in the parish and interest in it was great, judging from the large numbers who attended. The short entertainment provided on each evening proved to be interesting and amusing. Dancing also proved an attraction for the young folks for which Leinen's Orchestra furnished the music. The refreshment booths were well patronized and at times were unable to handle the large crowd. The receipts of the fair were large and a handsome sum was added to the church fund.

## Cheapest Lots Ever Offered

\$500 Each

Including All Street Improvements, Fully Paid—Only 10 Lots Will at Sold at This Price—25 to Choose From—Small Payment Down, Balance Weekly and Monthly

If you want to build a home or invest a little money, this is one of the best opportunities ever offered.

You never before had a chance to secure a fine building lot, on an improved street, for FIVE HUNDRED DOLLARS.

Holbrook Street, which has every modern improvement all fully paid, can be reached within ten minutes from the business center, and is more than half a mile inside the city limits.

There are a large number of fine new houses on the street, the occupied by the owners, and the neighborhood is one of the most desirable in Rochester.

The lots are large and the street is beautifully improved with CEMENT WALKS, CURBING, PAVEMENT, SEWER, WATER, GAS, ELECTRIC LIGHTS and an abundance of SHADE TREES on both sides of the street.

Holbrook Street is directly in the path of the city's greatest growth, more houses have been built in this section during the past few years than in any other part of the city.

Another year will probably see a beautiful City Park laid out within a stone's throw of these lots, which will greatly enhance the value of all the property in this neighborhood.

An opportunity like this is seldom offered, all you need is a little money to start with, and you will reap the benefit of the increase in value, while you are making your payments.

After all, "as is believed" and the surest way to satisfy yourself of the value of these lots, is to take a NORTH AVENUE CAR and go and look over the property. Ask those who live there what they think of their investment. Try to buy any of the houses and you'll find not one is for sale.

But 10 more of these choice lots will be sold at the "ground floor" price of \$500 each. Don't wait until it is too late, but go to-day and look up this offer.
