STATE OF NEW YORK, OFFICE OF the Secretary of State, Albany, July 25, 1907.—Pursuant to the provisions of section one of article fourteen of the Constitution of the State of New York, and section seven of chapter nine hundred and nine of the Laws of eighteen hundred and ninety-six, notice is hereby given that the following proposed amendment to section ten of article eight of the Constitution of the State of New York is to be submitted to the people for approval at the next General Election in this State to be held on the fifth day of November, nineteen hundred and seven, and is published once a week for three months next preceding such general election in conformity with the aforesaid provisions. AMENDMENT NUMBER ONE.

Concurrent Resolution of the Senate and Assembly, proposing an amendment to section ten of article eight of the constitution, relating to the limitation of indebtedness of counties, cities, towns and villages, by excepting cities of the second class from the provisions of said section after the first day of January, nineteen hundred and eight.

Whereas, the legislature at its regular session in nineteen hundred and six duly adopted a resolution, proposing an amendment to section two of article twelve of the constitution relating to the limitation of indebtedness of counties, cities, towns and villages, by excepting cities of the second class from the provisions of said section after the first day of January, nineteen hundred and eight; and whereas, such resolution has been duly published in accordance with law and the constitution, and referred to the legislature for action, therefore Section 1 Resolved (if the senate concur), that section ten of article eight of the constitution be amended to read as follows: Article VIII. § 10 No county, city, town or village shall hereafter give any money or property, or loan its money or credit to or in aid of any individual, association or corporation, or become directly or indirectly the owner of stock in, or bonds of, any association or corporation; nor shall any such county, city, town or village be allowed to incur any indebtedness except for county, city, town or village purposes. This section shall not prevent such county, city, town or village from making such provision for the aid or support of its poor as may be authorized by law No county or city shall be allowed to become indebted for any purpose or in any manner to an amount which, including existing indebtedness, shall exceed ten per centum of the assessed valuation of the real estate of such county or city subject to taxation, as it appeared by the assessment rolls of said county or city on the last assessment for state or county taxes prior to the incurring of such indebtedness; and all indebtedness in excess of such limitations, except such as now may exist, shall be absolutely void, except as herein otherwise provided No county or city whose present indebtedness exceeds ten per centum of the assessed valuation of its real estate subject to taxation, shall be allowed to become indebted in any further amount until such indebtedness shall be reduced within such limit. This section shall not be construed to prevent the issuing of certificates of indebtedness or revenue bonds issued in anticipation of the collection of taxes for amounts actually contained, or to be contained in the taxes for the year when such certificates or revenue bonds are issued and payable out of such taxes. Nor shall this section be construed to prevent the issue of bonds to provide for the supply of water; but the term of the bonds issued to provide the supply of water shall not exceed twenty years, and a sinking fund shall be created on the issuing of the said bonds for their redemption, by raising annually a sum which will produce an amount equal to the sum of the principal and interest of said bonds at their maturity. All certificates of indebtedness or revenue bonds issued in anticipation of the collection of taxes, which are not retired within five years after their date of issue and bonds issued to provide for the supply of water, and any debt hereafter incurred by any portion or part of a city, if there shall be any such debt, shall be included in ascertaining the power of the city to become otherwise indebted; except that debts incurred by the city of New York after the first day of January, nineteen hundred and four, *and debts incurred by any city of the second class after the first day of January, nineteen hundred and eight* to provide for the supply of water shall not be so included. Whenever the boundaries of any city are the same as those of a county, or when any city shall include within its boundaries more than one county, the power of any county wholly included within such city to become indebted shall cease, but the debt of the county, heretofore existing shall not, for the purposes of this section, be reckoned as a part of the city debt. The amount hereafter to be raised by tax for county or city purposes, in any county containing a city of over one hundred thousand inhabitants, or any such city of this state, in addition to providing for the principal and interest of existing debt, shall not in the aggregate exceed in any one year two per centum of the assessed valuation of the real and personal estate of such county or city, to be ascertained as prescribed in this section in respect to county or city debt. § 2. Resolved (if the senate concur), that the foregoing amendment be submitted to the people for approval at the general election to be held in the year nineteen hundred and seven, in accordance with the provisions of the election law.
