**Republicans Renominate Alderman Mura and Supervisor Ritz.**

Sixteenth Ward Republicans this year have renominated Alderman Joseph D. Mura and Supervisor Andrew A. Ritz. Both men have good records in the official boards and indications are that both will be re-elected.

**JOSEPH MURA**

Alderman Mura is a contractor and lives at 37 Weld Street. He was born November 25, 1861, in Rochester and attended the parochial schools, the Vosburgh school and the Rochester Business Institute. Since completing his education he has followed his chosen trade. He has served one term in the Common Council. He is chairman of the building committee of that body and a number of the committees on assessments, public improvements and public market.

Mr. Mura has always been a member of St. Joseph's Church and also of all the different church orders.

**JACOB GERLING, JR.**

Former Alderman Jacob Gerling, Jr., has been nominated for Alderman of the Twentieth Ward by both the Democrats and the Independence League. Mr. Gerling represented the Twentieth Ward in the Common Council in 1904 and 1905 and made an admirable record in that body. He is recognized as a man of ability and in and out of office has worked hard in behalf of the residents of the Twentieth Ward. When in the council before, Mr. Gerling made a hard fight to obtain a fire house for the ward which he represented and if elected with a Democratic majority in the council he will undoubtedly push this scheme to completion. Mr. Gerling is a close student of municipal affairs and has worked industriously for the interests of the people of his ward for many years. He made an aggressive fighter, when a member of the Council, and a most able representative of the taxpayers.

Mr. Gerling was born in this city in 1859 and received his education in the public schools. For many years he was engaged in the milling business with his father on North Water Street and he is known as a man of exceptional business ability.

If elected he no doubt will secure a new fire house and other needed improvements in the ward, and he being a man of stamina would put up a hard fight for the people of his ward.

**Dansville.**  
Sunday is the monthly Communion of the Cadets of the Sacred Heart.  
On Friday, the feast of All Saints, Masses at St. Patrick's Church were at 5:30 and 8 a. m.  
On Saturday, the feast of All Souls, Requiem High Mass was celebrated at 9 o'clock.  
On Tuesday, the Sacrament of Confirmation was administered at both churches by Right Rev. Thomas F. Hickey. At 10 a. m. at St. Patrick's Church a class of over forty received the Sacrament. Rev. Wm. C. Etzel celebrated High Mass at 10 a. m., after which Bishop Hickey explained to the children the Sacrament which they were to receive, not because it was necessary to explain, but as coming from the one delegated to administer the Sacrament. Then calling down the fruits of the Holy Ghost upon the kneeling candidates, the Rev. Bishop administered the Sacrament. After this the Bishop again addressed the children and their assembled friends in a most touching and eloquent sermon, the chief things he wished to impress upon the children were: Be truthful, be honest, be industrious, be obedient, be faithful in attending the Sacraments and to the responsibilities imposed on Confirmation Day. Be sober, be pure. Then the Bishop administered the total abstinence pledge till twenty years of age. The services closed with the singing of Holy God.

The altars were beautifully decorated with choice flowers intermingled with many lighted candles, each altar was graced with an antependium of gold lace.

Rev. Wm. C. Etzel, who has been looking after the interests of the parish during the past months, has, together with their teachers, worked most earnestly to prepare the candidates thoroughly for the Sacrament.

At St. Mary's Church at 2 o'clock Confirmation was conferred on a class of seventy.

The altars were prettily decorated and after the explanation of the Sacrament and the responsibilities incurred, the Bishop confirmed the class and then preached an eloquent sermon.

Miss Campbell, of Elmira, has been the guest at Rev. Father Dunn this week.

Mrs. Mary J. Mannin is a guest at Rev. Jas. T. Dougherty, Canandaigua.

**Cook Opera House.**

Julius Steger will be the top liner in the bill of vaudeville to be presented at the Cook Opera House next week. He will appear in a one-act drama entitled "The Fifth Commandment." This text, "Honor Thy Father and Thy Mother," has been made a basis for a strikingly dramatic romance, which gives Mr. Steger great opportunities. Frank D. Bryant will exhibit his "Seventeen Human Flags." This is a big girl act, in which many patriotic songs are presented by Mr. Bryant, while his company of girls present many startling figures, in which costume combinations are used with great effect. Bert Levy, famous as the cartoonist of the New York Telegraph, will present an act different from anything that has ever been seen in vaudeville. The Sisters Macarte will show their great wire act, in which one does a skirt dance on a wire held in the teeth of her companions. Avery and Hart, the best known of vaudeville's colored comedians, will have their well known offering. The Five Majors are scheduled to give "an English military novelty." The Kratons, champion hoop rollers, will have their novelty called "Hoopland." Fentelle and Carr will present an odd comedy called "Out Loud Junction." The kinetograph will show new pictures.

**Baker Theater.**

Next week the Baker Theatre offers the strongest bill of Klaw & Erlanger's Advanced Vaudeville that has yet been presented in this city. It is stated positively that this will represent the highest salary list ever attempted here. One of the big drawing features that will do more to pack the house at every performance than anything that has yet been seen here is Claire Romaine London's "Pet," a title she won by her artistic boy impersonations. Henry Lee is one of the most gifted artists on the vaudeville stage and his act "Characterizations of Great Men, Past and Present," is recognized as one of the most artistic offerings on the vaudeville stage. Eph Thompson's Elephants from one of the greatest features in the animal line ever seen here. Johnny Johns is a "really comedian" who does funny stunts in black face. Barney Fagan and Henrietta Byron present "The Rehearsal." The Dankmar-Schiller Troupe is composed of six young and pretty girls, acknowledged to be the most famous lady acrobats in the world. Herbert Brooks and his mysterious trunk will mystify and entertain with feats of legerdemain. The Meredith Sisters will be remembered as the maids who made "Hiawatha" famous. Then there will be some particularly pleasing new animated pictures to close the greatest bill of vaudeville in history. Matinees will be given daily.

**National Theatre.**

Messrs. Hurtig and Seamon will again present Ernest Hogan at the National the first three nights of next week with matinees daily in his all new Avenue of Happyland, in two breezy acts, called "The Oyster Man." In this, his eclipsing triumph he still portrays his famous character of "Rufus Rastus," the man of the hour among his happy race, which results in a continuous round of revelry and healthful laughter. It is an accepted fact that Hogan's sense of humor is impossible to resist, and he is perhaps the most buoyant comedian of his race.

All the scenes in "The Way of the Transgressor" which comes to the National for a three night's engagement commencing Thursday matinee, November 7, are said to be massive and realistic. There are a number of sensational effects in the play. The company is one of unusual strength, and in addition to the splendid cast of players is the introduction of a group of highly educated dogs—Zip, Leo, Charlie, Regent, Don, Cesar, Bonaparte, Patsy and King. All have intelligent parts in the play, which they perform with rare intelligence.
