Immaculate Conception.

Sister M. Remigia, a teacher of our school, died on Tuesday of this week. She taught the eighth grade boys for many years, and every pupil who was ever under her supervision, left her grade qualified for the next year, but also with his young mind fully prepared to face the world in the proper way, and to undertake those things only, which form the truly noble man. Her death is deeply felt by all who knew her because she was ever ready to extend her helping hand to those who needed it and no favor asked from her was ever refused. We might enumerate many other virtues, which she possessed but we will merely add that by her death, her many friends especially those of our parish, fully realize that by this blow, they have lost a bright and golden ray of sunshine, which she so perfectly resembled. But, although, our grief is great, we cannot but think how after her years spent in the sisterhood, she has at last obtained her reward, and is now with Him, whom she so faithfully served during her entire life. Sister M. Remigia was buried from our church on Friday morning at 9 o'clock. The mass was celebrated by Rev. Father O'Neill and the music was furnished by the school choir. He has now built up such a large practice that he feels justified in doing so.
