**Rochester Rotary Washer Company,**

Have a real laundry machine in your own home. The Rochester Rotary Washer is the only real laundry machine adapted to domestic use. It has a galvanized iron tub—no warping. It has a wooden cylinder—no rust stains. It has a faucet—no lifting or leaking. It needs no reverse action. Its capacity is greater than any other. It has a wringer attachment, and both machine and wringer may be operated by water or electric motor. Over 1600 now in use in Rochester. Ask your neighbor. Call for demonstration.
