

A Beheaded Photo

Lady Eldor was giving the flash... Jack Milton was leaving for coffee...

"YOU MUST MEET MR. EVERLEIGH..."

Where was the head now, she wondered... He had asked for the picture...

Knowing Lady Eldor was scrupulously tidy... "Come in, Edith," called Lady Eldor...

"Have some muffins, dear?" said Lady Eldor... He approached with the dish...

"Why, you're Jack!" she faltered... "And you're Edith!" he said.

"Ah!" and he laughed... "I have forgotten you and Rose Court, though it's so long ago."

When Mr. Everleigh next went toward the other part of the photograph... "Why, you're Jack!" she faltered.

"And how are you Mr. Everleigh?" she asked... "He sat down beside her, still holding the muffin dish, looking at her all the while."

IRELAND'S ANIMALS.

Species of Frogs and Lizards in Many Parts of the Island... It is not correct to say that there are no frogs or lizards in Ireland...

On the other hand the absence of many species in Ireland which are or were commonly found in the large island can only be explained...

Only six of the fifteen British rodents are found in Ireland... How the British Museum Was Started...

An observer recalls the interesting circumstances of the establishment of the British Museum... "I fear not."

"I'm sure you'll like him," she concluded... "When I'm married," she said timidly almost...

"How could I? How could I not? Then suddenly the clock began to chime... "Oh! I'm sorry, can't you stay with us for a time at least, you can chum with Jack."

"I fear not," she concluded... "When I'm married," she said timidly almost...

The Tantalus of the Fire

I must confess I stood at the door with some trepidation... "Please accept— even though I am a little late— if Muriel had only been speaking of— ah! Muriel— Muriel!"

In the library I sat by the fire... "I am still the same Jarvis, dear I hope. And are you still the same Muriel?"

"Yes," she said, very softly... "Engaged?" I asked, quietly, as quietly that I wonder now.

"The Tantalus of the Fire smiled... "Oh! Jarvis, wish me happiness," she begged almost sadly.

"Happiness!" I said... "I'm sure you'll like him," she concluded.

"When I'm married," she said timidly almost... "How could I? How could I not? Then suddenly the clock began to chime...

"Oh! I'm sorry, can't you stay with us for a time at least, you can chum with Jack..."

MACEONIAN GUERRILLAS

They Never Part with their Guns... To-day I am sitting by a camp fire far away in the Maceonian mountains...

A shrill, keen bird call slips through the night air... "I'm sure you'll like him," she concluded.

"When I'm married," she said timidly almost... "How could I? How could I not? Then suddenly the clock began to chime...

"Oh! I'm sorry, can't you stay with us for a time at least, you can chum with Jack..."
