

St. Boniface.

The graduating exercises of our parish took place last Monday and Tuesday evenings at the new school hall in connection with an entertainment by the pupils of the different grades. A large class of graduates received their medals and diplomas, as the pastor had postponed the distribution for the reception in the new parish hall. A large number were present to see the beautiful play given by the children, which was in many ways the best ever produced. The new hall with its beautiful new scenery adding very materially in producing a most charming effect. Great credit is due our worthy school sisters, who worked so hard and faithfully to make this entertainment a success and it was highly appreciated. A large part of the credit is also due Prof. Phillip Krockel, who with wonderful accuracy accompanied those little "woolies" through their individual parts. That the entertainment was a success financially goes without saying, as the parish is willing to assist in all undertakings.
