

Assemblyman Cyrus W. Phillips

Has been re-elected by the Republican party in the Fourth District of Monroe County. Mr. Phillips was born in the city of Rochester in 1870 and is engaged in the practice of law in the Exchange and Ferry Building. He is just completing his first term as a member of Assembly. He is a member of the judicial committee of the Assembly. His most conspicuous services during his term in office were those which led to the passage of the law creating a commission to investigate the subject of Employers' Liability and the Causes of Industrial Accidents and the bill strengthening and amending the statute of 1908 requiring railroad companies to pay their employees semi-monthly.

As a result of the passage of the bill providing for an Employers' Liability commission one has been appointed and has among its members Senators, Assemblymen, manufacturers, employers and workmen. Mr. Phillips is a member of this commission and chairman of the committee on Causes and Prevention of Industrial Accidents. The commission is now acquainted with all the necessary facts and expects to report to the next legislature remedial legislation that will be highly beneficial to employers, employees and the general public.

With regard to the semi-monthly pay bill which bore his name it was introduced by him at the request of the railroad men of the state and in pursuance of a recommendation made by Governor Hughes in his annual message to the legislature. At a previous session of the legislature a semi-monthly pay bill had been passed but contained provisions rendering it unenforceable, and it was through these provisions that the bill was introduced by Mr. Phillips. As a result of this legislation all the railroad companies with the exception of two commenced paying their employees semi-monthly.

The Fourth Assembly District consists of the town of Greece, First Second, Third, Fifth, Ninth, Tenth, Fourteenth and First and the Free Academy. In the second election districts of the Fifteenth, Second and Fifth wards and the district of the Twentieth Ward.

JAY W. COOK

One of the Democratic wards generally conceded to the Republicans this fall is the First Jay W. Cook, Republican candidate for Alderman, is making an energetic canvass and his election in November is confidently predicted by those familiar with the situation. The First Ward is one of the most important in Rochester and the Republicans recognized this fact when they named as their standard bearer a business man of known ability and integrity.

Jay W. Cook, candidate for Alderman, comes from a family of soldiers, his great-grandfather having been one of Washington's guards in the Revolutionary War, his father serving in the Civil War, and himself being a veteran of the late Spanish-American War.

Mr. Cook was born in Mattawan, Mich. in 1869. When he was 5 years of age his father moved to Orleans County, this state, where he was educated in the district schools and in Holly High School. For 14 years he resided in Brockport and came to Rochester 12 years ago.

He is in business in North Street at the head of the J. W. Cook Carting Company and owner of the J.

W. Cook Sales Stables. Mr. Cook is justly proud of the fighting ancestors. His father, Mr. Willis C. Cook fought all through the Civil War and when in 1923 the United States was threatened again the Cook family gave another member of its family for the country's service, when the present candidate for Alderman enlisted in Company F, Third New York Volunteer Infantry and served until the end of the war.

Mr. Cook is a member of Rochester City Lodge, K. of P., and Past Commander of L. Boardman No. 111 Camp, United States Spanish War Veterans.
