Sense

Perhaps the greatest ——— States will yet wake up to the ——— condition ——— cing abroad ——— and at the same time ——— cution of Ferrer ——— of Europe.

We were not ——— Hearst papers ——— Hearst is an ——— lists to find the New York ——— yelling against the ——— to find the New York ——— printing Ferrer ——— all over its first page ——— ly expected to find ——— well handled and ——— formed Post Express ——— Ferrer as a matter ———

We think the Philadelphia Record more consistent and ——— when protested against ——— martial for Ferrer but ——— Ferrers Modern School for Anarchy in these words:

Over the head of the Spanish government these organs of a perverted liberalism are striking at the Church which predominates in Spain and which they hold responsible for the ——— prompted the execution of Ferrer and the suppression of ——— school. But Ferrer did not confine his hatred of Christianity ——— particular church or sect and likewise those sham defenders of free speech by championing the ——— religion betray the ——— Christianity in general. The ——— Ferrer agitation is ——— with the arguments adopted by ——— anarchists ——— age ——— city's one of the most ——— ecclesiastical architecture ——— world was guilded in a spirit of vandalism and ——— officiating priests treated to shocking indignities. Indeed this virulent protest against the suppression of Ferrerism was less decent than is the agitation of its oratorical and journalistic apologists. The Pisa mob was at least guiltless of the added sin of hypocrisy.

The Chicago Inter-Ocean adds these illuminating sentences:

Ferrer was what is known as a "philosophical anarchist." For years he had been teaching in his paper and through the schools he established that all government is oppression that there ought to be no government as the term is commonly understood and that all existing governments ought to be swept away and in time would be.

What was the influence of the teachings of Ferrer upon those most subject to them is revealed by the fact that his confidential assistant or secretary was caught in the act of trying to blow up King Alfonso on the latter's wedding day.

The assassin had of course no personal grief or wrong to avenge. He could have no spite against a mere boy. But in the code of Ferrer he was filled with ——— for killing a king just because he was a King.

Ferrer ——— who ——— the ——— to ——— tempted ——— plain ——— had been taken. * * *

We had these protests in behalf of the associates and inspirers of William McKinley's assassin. We have them now because an inspirer of murder has paid the penalty of his words.

Ferrer paid a severe penalty for his crime, but it is still to be proved that he paid an unjust one.

Is this laudation of Ferrer inspired by hatred of Catholic Spain which its authors dare not vent upon Catholics in the United States? We might believe this of Hearst of the New York Times but we do not wish to think it of the Post Express.

Clean Macaroni

Many people are prejudiced against macaroni because of its supposed uncleanliness. Some macaronis are unclean. The modern, hygienic process of making and curing Woodcock Macaroni, put up in air-tight packages makes it absolutely clean, pure and wholesome. It is made by a special sanitary process, from the finest wheat grown in this country, and contains all the rich, beautiful gluten which is lost in most macaroni but which is necessary to a perfect food. Be sure you get Woodcock Macaroni. All grocers.

THANKS A THOUSAND-FOLD
THANKS TO ALL OUR BENEFACTORS

Through the generosity of the Catholic public we have been enabled to secure a magnificent site for Church, Presbytery and Schools. We have already the Presbytery and Sacristy, the latter of which are at present used as a Temporary Church until sufficient funds are in hand to build the Church. On no account will our good Bishop allow us to go into debt. Personally I am ——— but would ——— Mission and ——— good that I have ——— perform. Help Us to Save the Negro

Let us speak now of the living. Already nine Mission Stations are supported by Saint Joseph's Mission House. These are badly needed to reach our unfortunate colored brethren. We appeal to the generosity of the faithful to help us in our glorious apostolate. St. Anthony's Union has been established to support the priests who so generously devote their lives to the salvation of this people. There are 1,000,000 negroes in the state of Virginia, but only 2,000 of them are Catholics. Christ bequeathed the blessings that Christ bequeathed to mankind through His Church. Our parochial schools, academies and colleges are due. Without them ——— would be almost impossible for the mission ——— system of Catholic education ——— to succeed.

Another ——— to succeed ——— mission ——— cost $2,500 to erect. Will you join St. Anthony's Union, and help in the salvation of the souls that cost the blood of Jesus Christ to save?

"Of all things the most divine is to co-operate in the salvation of souls." St. Cyril of Jerusalem.

The wisdom of the ages
regarding the acquiring of fortunes, has simmered down to the one word, "save." The beginning of every large estate was an insignificant sum, set to work.
Small sums cannot accomplish much, so the place for the small savings is the savings bank, where absolute safety, and a reasonable rate of interest, with a regular weekly deposit will show surprising results, in a short time.
You will soon have enough to take advantage of the many opportunities that will present themselves.
