The eastern band of Vincentian missionaries, on its fifth round of missions for the year, is engaged in St. Joseph's Church, Cuyahoga Falls, O., St. Leo's, Dorchester, and All Saints, Ware, Mass., St. Bridget's and the Presentation, Brooklyn, and St. Thomas Aquinas, Philadelphia.

Bishop Feehan, of Fall River, has strictly prohibited the holding on Sunday of theatrical exhibitions, shows, fairs, lawn fetes and entertainments of every description to which admission is obtained on payment of money, or upon the delivery of any valuable thing, or by ticket or voucher obtained for money or other valuable thing by priest, religious communities, church societies or church corporations for any purpose whatsoever.

The Socialists of Crawfordsville, Ind., recently issued an open letter in which they claimed that Socialism and Christianity are more or less identical. Father Conroy of that city answers them in an open letter in which he shows that the two teachings are at variance. Socialism, says Father Conroy, comes with humanitarian words upon its lips, and with its hands raised in benediction its appeal is to the workman whom it would turn into a machine and his wife and daughters into the condition from which Christianity rescued them.

Archbishop Gilroy, who is now touring the United States, is the oldest member of the Mexican hierarchy and commands the utmost respect of President Diaz. He represented the Mexican government at the New Orleans exposition as honorarily conferred upon a churchman by that republic. He is deeply versed in all affairs pertaining to Mexico and is very enthusiastic over his own country, which is at the southern extremity of the republic with the Pacific Ocean on one side and the Gulf of Mexico on the other. The city of Oaxaca is one of the oldest in Mexico and is as affected by modern civilization as any other town in that country.
