The fateful wishbone, kept over from Thanksgiving day, brought to light and broken in the traditional way.

With their fair, expectant faces and eyes with light aglow they await the anxious moment when all of them shall know who is to be the favorite of fortune and whose choice is sure to bring fulfillment fit to make the heart rejoice.

Old Age Pension

The best way to provide insurance for old age is to start an interest account in the savings bank when you are young, and pay into it, regularly.

"Money in the bank" means self respect, and the respect of others, for others will hear of it.

One dollar will start an interest account, and we will compound interest in June and December.
