Macaroni and Health.

Nine-tenths of the ailments of mankind have their origin in improper eating. It is not how much, but how wisely we eat, that gives health. Therefore the food having the most nutritive qualities is the ideal food. Wheat is acknowledged to contain four-fifths of the necessary elements. Woodcock Macaroni is made from whole wheat granules and pure water. It is easily digested, appetizing and hygienically manufactured by American workmen at all grocers. Be sure to get Woodcock Macaroni.
