THE RED CROSS

Combination Range

(For Summer or Winter)

Coal or Gas,

Either or Both

No more space required in your kitchen than with an ordinary range. With an improved Gas Water Heater sufficient hot water for all ordinary requirements can be had in 10 minutes.

Special attention is directed to the vent pipe to chimney—thereby eliminating all possible dangers from gas fumes.

A complete Gas Oven attachment for Baking, Boiling or Broiling attached to the end of the Range. One of these gas ovens may now be attached to any Red Cross Range of recent construction.

Do not be beguiled into dispensing with the comforts of a kitchen range for coal or gas.

Miss Jessie Bonstelle will, on
Monday evening, offer the New
Theater success, "The Cottage
in the Air," a romantic comedy
in four acts. It is the kind of a
play which the admirers of Miss
Bonstelle most enjoy seeing her
in. The story is a charming one
and in the princess role Miss Bon-
stelle will have a part for which

Jane Salisbury with Jessie Bonstelle

she is admirably suited. Julius
McVicker will be seen as Prince
Henry and the other characters
in the play will give ideal inter-
pretations. For the fourth and
last week of her engagement,
beginning a week from Monday,
Miss Bonstelle will present Grace
George's successful play, "A
Woman's Way."
