FOR THE CHILDREN

A Guessing Garne.

Take a sentence-in your mind, of course-for instance, "You are a good girl" and put it down on paper it follows: The dots represent the letters, the shir gle lines the ends of words and the dou ble lines the end of a sentence. Next draw a rade picture of a gallows, like the letter F, with the crossisce hand-ing from the top lasted of connected with the upright line. This piece t supposed to be the rope. If the gives er falls to guess correctly he is to be hanged on this gallows.

Now put down the letters of the a plantet ABCDEFGHIJKLM NOPQRSTUVWXYZ on a sheet of paper.

from this the guesser chooses a le ter, and if it belongs to the sentenceis written in place of the dots as many times as it occurs. If he chooses letter not in the sentence the bend o the can goes on the tope. Each time to falls another part of the man I added-his body, arms and legs, and should the man be completed before the sentence is guessed the guess leses his chance and has to be told he is quick he may easily green th sentence by a few guiding wowels." Washington Star.

Tropping Live and Tiggers. trape are now used. They are Buriet in pits, and balt is scattered over this top. The keen scent of the beart told the servants that to addressing position while the drip bowl is swung bilage than to pick up the meet and our of the way. When the handle is in hihe cases out of lea the trap is the brush until it is raught. Most those caught are beauts on which bounty is offered by the government because they are so destructive as dangerous. On one plantation in Ger man Rast Africa 404 bearts of prewere trapped that year.
