

Washington baseball critics have been showering all kinds of praise on Clyde Miles, the star outselfer of the Secntors, this seeings. East year they were being being being for his poor playing. Great things were expected of Cityth early last seeson, but as the compatien progressed he fell by the wayside, and hast fall there was talk of the club parttag with his services. But show the start of the 1910 campaign Millan has been playing grand bell. In fact, his all round playing has been the feature of many of the Senators' games. Manager Jimmy McAleer thinks that Milan to one of the most promising ball toesers in the country today. In another year he will make other crack outfielders git up and take notice, says the Washington pilot.

Professional Running Seem Abread. great boom in England at the present with angles pectoris." time, and many of the best American "Fourte partly right, doctor," said runners have been appearing there the young man sheepishly, "only that who as an admiral has a great many during the last few months. The sin't has name."-Ladies' Home Jour demands upon him from people who English never before have shown such ask enthusiasm, and they are putting up the largest purses for sprint races ever

of \$1,000. Hollday, the Yankee "pro," their arms and threw themselves down ran against Danielson of England and to drink.
