Charles T. Haggerty.

In selecting their candidate for member of assembly from the Third district the Democrats picked a man whose long business training peculiarly fits him as a safe representative for that important constituency in the state legislature. Charles T. Haggerty of the Twelfth ward in the candidate, and twenty years' successful business operations in the Flower City have thoroughly familiarized him with the wishes and best interests of his fellow citizens. Born in 1866, Mr. Haggerty spent the earlier years of his life at Potsdam, St. Lawrence county. He was educated in the district schools, where he also taught while taking a course in the State Normal School at Potsdam, from which he graduated in 1889. The following year he came to Rochester, entered an insurance office, and later established an office of his own which he has since maintained. Mr. Haggerty's wide acquaintance is not, however, confined to business circles for he is also widely known in fraternal and social circles being a member of the Rochester Club, Union Club and the Knights of Columbus, Branch 87, C. M. B. A. If the voters of the Third district seek a representative who may be counted upon to do everything to give his constituents a businesslike administration of public affairs, they will make no mistake in casting their ballots for Mr. Haggerty.
